

DR. SAURABH GUJARATHI

Consultant - Pathology

Qualification

MBBS | MD

Overview

Dr. Saurabh Gujarathi is an experienced and highly skilled Consultant Pathologist, currently serving as the Head of Laboratory Medicine at Manipal Hospitals, Baner. He completed his MBBS from Dr. D.Y. Patil University, Pune (2009), and earned his MD in Pathology from Pravara Institute of Medical Sciences (2014). With over 14 years of experience in diagnostic pathology, he has been instrumental in delivering accurate, timely, and quality laboratory results that aid in critical clinical decision-making. Throughout his academic and professional journey, Dr. Gujarathi has developed deep expertise in hematology, histopathology, clinical pathology, and molecular diagnostics. He is a dedicated professional known for implementing high-quality laboratory practices and leading a team committed to precision and reliability. He is an active member of professional bodies like the Indian Association of Pathologists and Microbiologists (IAPM) and the Indian Association of Practising Pathologists (IAPP). His leadership at Manipal Hospitals Baner ensures the lab adheres to NABL standards, integrates the latest technologies, and maintains rapid turnaround times. Dr. Gujarathi has also presented research at national pathology conferences such as

APCON, with a focus on topics like pancytopenia and bone marrow correlation. His experience spans advanced molecular techniques, including electrophoresis, HPLC, and DNA extraction. At Manipal Hospitals Baner, he leads the pathology department with a focus on continuous quality improvement and seamless coordination with clinicians to improve patient outcomes. Dr. Gujarathi is also passionate about health education and regularly contributes to awareness through informative talks and patient-friendly digital content. With his sharp diagnostic acumen, commitment to excellence, and empathetic communication, Dr. Saurabh Gujarathi plays a pivotal role in the hospital's commitment to clinical excellence and patient care.

Fellowship & Membership

- Indian Association of Pathology and Microbiology. Indian Association of Practicing Pathologists, Pune

Field of Expertise

- Pathology

Languages Spoken

- Hindi
- English
- Marathi

Awards & Achievements

- Awarded with "Grade A" by independent universities for the scientific research study titled as "Pediatric and Adult patients

with Pancytopenia: Review of etiologies and its correlation with Bone Marrow Aspiration Cytology "conducted over the span of two years from 2011 to 2013.

Talks & Publications

- “FNAC of Intra-abdominal Lesions”: ORAL SCIENTIFIC RESEARCH PAPER presented at the Maharashtra chapter Of Indian Association of Pathologists & Microbiologists conference, Amaravati, 2012.
- “Clear Cell Sarcoma of Soft Tissue” Poster presented at the NATIONAL Conference of Indian Association of Pathologists & Microbiologists (APCON) held at Aurangabad in the year 2013, Published in December 2013 issue of 'Indian Journal of Pathology and Microbiology'.
- Successful training in "Hands-on workshop in Molecular Pathology" conducted by 'Moving Academy of Medicine and Biomedicine, Pune' in 2013 which included exposure to molecular techniques including electrophoresis, protein chromatography, HPLC, DNA extraction etc.
