

DR. KANNAN SUBRAMANIAN

Consultant - Hematologist

Qualification

MBBS | DM (Clinical Hematology) | DNB (General Medicine)

Overview

Dr. Kannan Subramanian is a highly skilled and experienced hematologist at Manipal Hospital Baner, Pune, with over 25 years of expertise in diagnosing and treating a wide range of complex blood disorders. Known for his clinical precision and patient-focused approach, he is regarded as a trusted hematology specialist in Baner, Pune. He completed his MBBS from Indira Gandhi Medical College, Nagpur, followed by DNB in General Medicine from the National Board of Examinations, New Delhi. He further pursued DM in Clinical Hematology from the prestigious Christian Medical College (CMC), Vellore, one of India’s leading centers for advanced hematology and bone marrow transplant care. Dr. Kannan Subramanian specialises in managing conditions such as leukemia, lymphoma, multiple myeloma, hemophilia, and other bleeding and clotting disorders. He has extensive experience in bone marrow transplantation and has been actively involved in multiple clinical trials related to hematological diseases, contributing to advancements in treatment protocols. At Manipal Hospital Baner, he offers comprehensive care using modern diagnostic techniques and evidence-based therapies tailored to each

patient’s needs. His approach focuses on early diagnosis, personalised treatment planning, and long-term disease management, ensuring improved patient outcomes. In addition to his clinical expertise, Dr. Kannan is actively involved in academic teaching and mentoring DNB hematology students. He has also been a speaker at various national and international conferences, reflecting his commitment to continuous learning and medical excellence. Patients seeking expert blood disorder treatment in Baner trust Dr Kannan Subramanian for his experience, compassionate care, and dedication to delivering high-quality hematology services at Manipal Hospital Baner.
