

DR. PARITOSHA THAKAR DALAL

Consultant - Paediatric Surgeon

Qualification

MBBS | DNB (General Surgery) | M.Ch (Paediatric Surgery)

Overview

Dr. Paritosha Thakar Dalal is a highly experienced Consultant Paediatric and Neonatal Surgeon currently practising at Manipal Hospital Baner, Pune. With over 20 years of medical expertise and more than 15 years dedicated exclusively to paediatric surgery and urology, she has earned a reputation for clinical precision and compassionate care. Dr. Dalal holds an MBBS from Government Medical College, Aurangabad, a DNB in General Surgery, and an M.Ch in Paediatric Surgery from Bangalore Medical College. She has also completed advanced training at Seth G.S. Medical College and KEM Hospital, Mumbai, as well as a prestigious fellowship in Paediatric Surgery and Urology at the Royal Children's Hospital, Melbourne, Australia. Her areas of expertise include complex neonatal and paediatric surgeries such as hernia repair, undescended testes, hypospadias, tongue-tie correction, and laparoscopic procedures for appendicitis, intestinal obstruction, and congenital anomalies. She is also skilled in paediatric urology, managing conditions like urinary tract infections, vesicoureteric reflux, and posterior urethral valves using minimally invasive methods. In addition to her clinical practice, Dr.

Dalal has served as an Assistant Professor in Paediatric Surgery at Bharati Vidyapeeth Medical College, Pune, contributing to the academic development of future surgeons. She is a life member of the Indian Association of Paediatric Surgeons (IAPS) and an active member of various professional bodies, including the Society of Paediatric Urology and the Indian Medical Association. Renowned for her meticulous approach, Dr. Dalal combines clinical expertise with a gentle, child-friendly manner. At Manipal Hospital Baner, she continues to provide comprehensive surgical care for children and newborns, ensuring their comfort and safety at every step of their healthcare journey.
