

DR. ASHUTOSH DAGA

Consultant Medical Oncology Specialist

Qualification

MBBS | MD (General Medicine) | DM (Medical Oncology)

Overview

Dr. Ashutosh Daga is a renowned Medical Oncologist in Kolkata serving in the Department of Medical Oncology at Manipal Hospitals, Dhakuria, Kolkata, with an overall 10 years of experience, including 5+ years as a specialist in the domain. Dr. Daga's medical career began with the completion of a Bachelor of Medicine and Bachelor of Surgery (MBBS) from King Edward Memorial Hospital and Seth Gordhandas Sunderdas Medical College, and a Doctor of Medicine (MD) in General Medicine from Rajasthan University of Health Science, Jaipur, followed by a Doctorate of Medicine (DM) in Medical Oncology from the Tamil Nadu Dr. M.G.R. Medical University (TNMGRMU). He later broadened his expertise by working in many eminent institutions in Kolkata and earning certification from the European Society for Medical Oncology (ESMO) and the Royal Colleges of Physicians, UK, through the Specialty Certificate Examination (SCE). Dr. Daga is adept at addressing several solid and liquid cancers, such as head and neck, breast, lung, gastrointestinal, urinary bladder, kidney, sarcomas, paediatric cancers, gynaecological cancers, including those affecting the ovaries, cervix, and uterus, and liquid cancers like leukaemia, myeloma, chronic

myeloid leukaemia (CML), chronic lymphocytic leukaemia (CLL), and lymphoma, of early advanced and recurrent stages. He is experienced in employing state-of-the-art techniques to treat patients of all ages diagnosed with cancer by performing minimally invasive techniques and is proficient in crafting chemotherapy, immunotherapy, and targeted therapy regimens. Moreover, Dr. Daga is skilled in performing interventions and surgical procedures, such as Hickman Placement, Invasive Venous Line Placements, and conducting Bone Marrow Transplantations and Biopsy procedures. His personalised approach to treatment, coupled with a record of successful outcomes, has led him to treat over 2000+ patients in his medical career. Fluent in English, Hindi, and Bengali, Dr. Daga's humbleness and approachability emphasise his dedication to patient care and ensuring reliable and compassionate communication throughout their treatment journey.
