

DR. UJWALA PATIL

Consultant - Obstetrics & Gynaecology

Qualification

MBBS | DGO

Overview

Dr. Ujwala Patil is a distinguished consultant gynaecologist and obstetrician in Pune, with over 26 years of experience in the field of obstetrics and gynaecology. She is currently practising as a consultant at Manipal Hospitals, Baner, where she brings her vast expertise in managing a wide range of women’s health issues. Dr. Patil completed her MBBS from B. J. Medical College, Pune, and further pursued a Diploma in Obstetrics and Gynaecology (DGO) from M.U.H.S., Nashik. Throughout her extensive career, Dr. Patil has provided exceptional care to countless patients, specialising in areas such as high-risk pregnancies, natural birthing, laparoscopic surgeries, and caesarean sections (LSCS). Her proficiency in handling complicated deliveries, as well as her expertise in advanced gynaecological procedures like laparoscopic hysterectomies, has made her a trusted professional in her field. She is known for her patient-centric approach, always prioritising the comfort and well-being of her patients. Dr. Patil's dedication to advancing women’s healthcare is reflected in her ability to adapt the latest medical techniques for her patients. Whether it’s managing routine check-ups or addressing complex medical situations,

Dr. Patil is known for her exceptional clinical skills and empathetic care. Her involvement with professional bodies such as the Federation of Obstetric and Gynaecological Societies of India (FOGSI) further exemplifies her commitment to staying at the forefront of the medical field. As a leading consultant in obstetrics and gynaecology, Dr. Patil remains a pillar of support and expertise for women in Pune and continues to provide top-tier care at Manipal Hospitals Baner.
