Overview

Dr. Mandar Dhamangaonkar is a highly experienced Laparoscopic Surgeon in Baner with 19 years of clinical expertise, currently practising at Manipal Hospitals Baner. Known for his precision, patient-friendly approach, and mastery in minimally invasive surgery, he has become a trusted name for advanced laparoscopic and general surgical treatments in Pune. He completed his MBBS from Nashik in 2006 and pursued an MS in General Surgery from a renowned College, Karnataka in 2011. His commitment to excellence led him to acquire additional specialised training, including FICS (2015), FMAS (2016), and PGDMLS (2013). These qualifications strengthened his expertise in modern surgical techniques and enhanced his clinical judgement in high-risk and complex cases. At Manipal Hospitals Baner, Dr. Dhamangaonkar performs a wide range of laparoscopic surgeries, including laparoscopic hernia repair, gallbladder (cholecystectomy) surgery, appendectomy, gastrointestinal procedures, and diagnostic laparoscopy. His focus on minimal access ensures smaller incisions, reduced pain, quicker healing, and shorter hospital stays, making him a preferred choice for patients seeking advanced laparoscopic surgery

in Baner. Dr. Dhamangaonkar is widely appreciated for his calm communication style and transparent explanation of procedures. He takes time to understand each patient's concerns, medical history, and lifestyle before recommending a personalised treatment plan. His approach combines scientific expertise with compassionate care, building deep trust among patients and families. With nearly two decades of surgical experience and a strong record of successful outcomes, Dr. Mandar Dhamangaonkar plays a key role in strengthening the General & Laparoscopic Surgery Department at Manipal Hospitals Baner. His dedication to safe, ethical, and evidence-based surgical care makes him one of the most reliable laparoscopic surgeons in the region.
