

DR. UDAY POTE

Consultant - Spine Surgeon

Qualification

MBBS | Diploma in Orthopedics | DNB Orthopedics | Fellowship in Spine Surgery | PhD Orthopedics (Ongoing)

Overview

Dr. Uday Pote is a highly experienced spine surgeon at Manipal Hospital Baner, Pune, specialising in advanced spine care and trauma management. With over 15 years of clinical expertise, he is widely recognised for delivering effective and minimally invasive solutions for complex spinal conditions, making him a trusted name for spine treatment in Baner, Pune. He completed his MBBS at B.J. Medical College, Pune, followed by a Diploma in Orthopedics from CPS, Mumbai, and DNB in Orthopedics from the National Board of Examinations, New Delhi. He further enhanced his skills with a fellowship in spine surgery and is currently pursuing a PhD in orthopedics, reflecting his commitment to continuous learning and innovation. Dr Pote has performed more than 4000 spine surgeries and 8000 trauma procedures, demonstrating his expertise in managing a wide spectrum of orthopedic and spinal conditions. His key areas of specialisation include minimally invasive spine surgery (MISS), disc prolapse treatment, spinal fixation, interventional pain management, and fracture care. At Manipal Hospital Baner, Dr. Pote focuses on providing patient-centric care using advanced surgical techniques that

ensure faster recovery, reduced hospital stay, and improved outcomes. He is also skilled in non-surgical interventions such as epidural injections, nerve root blocks, vertebroplasty, and nucleoplasty for effective pain management. In addition to his clinical work, Dr. Pote is actively involved in spreading awareness about spine health through digital platforms like YouTube and Instagram, where he educates patients in an easy-to-understand manner. His combination of surgical expertise, modern approach, and compassionate care makes him one of the preferred choices for spine surgery in Baner Pune. For those seeking expert orthopaedic and spine care in Baner, Dr. Uday Pote at Manipal Hospital Baner offers advanced, reliable, and patient-focused treatment solutions.
