DR. JYOTI MORE DHAGE

Consultant - Neonatologist

Qualification

MBBS | DCH | DNB (Paediatrics) | DM (Neonatology)

Overview

Dr. Jyoti More-Dhage, MBBS, DCH, DNB (Paediatrics), DM (Neonatology), is a Consultant Neonatologist and Head of the Neonatal Intensive Care Unit (NICU) with over 10+ years of experience in Paediatrics and Neonatal Intensive Care. She specialises in the management of premature and critically ill newborns, neonatal ventilation, neonatal nutrition, neonatal resuscitation, breastfeeding support, and developmental follow-up of high-risk infants. Dr. More is an NRP Trainer of Trainers (TOT) certified and trained in Neonatal Point-of-Care Ultrasonography (NeoPOCUS) and Neonatal Neurology. She has authored multiple publications in peer-reviewed paediatric and neonatal journals and actively contributes to teaching, research, and quality improvement initiatives. Her approach combines evidence-based medicine with compassionate, family-centred care to ensure the best possible outcomes for newborns and their families.

Fellowship & Membership

- National Neonatology Forum (NNF) India – Member
- National Resuscitation Program (NRP) – Trainer of Trainers

(TOT) Certified
- Certified in Neonatal Point of Care Ultrasonography (NeoPOCUS) and Neonatal Neurology
- Certified in Lactation Management and Breastfeeding Support (BPNI Maharashtra)
