Overview

Dr. Saumyabrata Acharyya is a highly regarded consultant associated with Manipal Hospital Mukundapur at the Department of Paediatrics and Child Care. With a distinguished academic background of MBBS, DCH, MD in Paediatrics, and DNB in Paediatrics, Dr. Saumyabrata Acharyya is one of the most trusted figures in paediatric healthcare in Kolkata. Over the course of his decades-long practice, Dr. Saumyabrata Acharyya has established himself as a trusted source of care for infant, toddler and adolescent patients. With in-depth knowledge in various aspects of paediatric care, he specialises in neonatal surgery, neonate cardiac care, advanced paediatric procedures, and therapeutic interventions including Umbilical Catheterisation, Long Line Insertion, and Chest Drain Placement, ensuring proper administration of medications and minimising complications in respiratory functions, thereby facilitating faster recovery. He also prepares Total Parenteral Nutrition (TPN) to aid infant nutritional support. A dedicated paediatric healthcare expert, Dr. Saumyabrata Acharyya is actively involved in community healthcare

activities, school camps and educational conferences. A highly experienced and respected professional in his field, Dr. Saumyabrata Acharyya is a trusted name for parents seeking compassionate, comprehensive medical care for their children.
