MBBS | MS (Genaral Surgery) | MCh (Cardiothoracic & Vascular Surgery)

Overview

Dr. Bhaskar B V is an expert heart and lung transplant surgeon in Bangalore. He is currently associated with Manipal Hospital Old Airport Road as a Consultant - Cardiothoracic Vascular Surgery, Heart and Lung Transplant Surgery. With over 20+ years of extensive expertise, adult cardiothoracic surgery, heart and lung transplants, and ventricular assist devices are among the doctor's specialties. Dr. Bhaskar offers a variety of therapies, including Major Aortic Root Replacements, CABG, Aortic & Mitral Valve Surgeries, MICS-CABG, AVR, MV Repairs. He performs all major lung surgeries and is trained in left ventricular assist devices and ECMO installation. He is the best Cardiac Surgeon in Bangalore. On the academic front, Dr. Bhaskar B V completed his MBBS from JSS Medical College in 2002, followed by an MS in General Surgery from AIIMS in 2006. He went on to earn an MCh in Cardiothoracic and Vascular Surgery from Jawaharlal Nehru Medical College, Belgaum in 2009. He is a recipient of the prestigious Gold Medal in the MCh exam 2009 for best academic performance. As a CTVS surgeon in Bangalore, Dr. Bhaskar has a special interest in heart

and lung transplant, Major Aortic Root Replacements, Aortic Aneurysm Repairs, and Minimally Invasive Cardiac Surgeries. He is renowned for paying attention to detail, making precise diagnosis, and treating patients with sensitivity, and is thus known as one of the top cardiothoracic surgeons in Bangalore. In his decorated career, Dr. Bhaskar B V has been a part of several national and international publications. He is also an active member of several medical organisations, such as the Indian Association of Cardiovascular Thoracic Surgeons (IACTS), the Indian Society for Heart and Lung Transplantation (ISHLT), the Society of Thoracic Surgeons (STS), and the International Society for Heart and Lung Transplantation.
