

**DR. SUMIT AGRAWAL**

Associate Consultant - Dental Medicine

**Qualification**

BDS | MDS Oral & Maxillofacial Surgery

## Overview

Dr. Sumit Agarwal is an Associate Consultant in Dental Medicine at Manipal Hospital, Rangapani, with extensive expertise in Oral and Maxillofacial Surgery. With over a decade of experience, Dr. Agarwal specializes in Maxillofacial Trauma, Posttraumatic Deformity Correction, Temporomandibular Joint (TMJ) Surgeries and Pain Disorders, Maxillofacial Pathology, and Dental Implantology.  Holding a BDS (2006) and MDS in Oral & Maxillofacial Surgery (2010), Dr. Agarwal has actively contributed to the dental and surgical community. He has held prestigious roles such as EC Member of the Association of Oral and Maxillofacial Surgeons of India (West Bengal Chapter, 2019), CDE Convenor of North Bengal IDA (2018), and State Representative to AOMSI. He continues to serve as an EC Member of North Bengal IDA, reinforcing his leadership in the field. Dr. Agarwal's contributions extend beyond clinical practice. As a reviewer for esteemed journals such as the Journal of Oral Biology and Craniofacial Research (JOBCR), International Journal of Surgical Case Reports, and the Journal of Maxillofacial and Oral Surgery, he ensures the highest standards in dental research and publication. He has authored over 15 international

and national publications and written three books, further showcasing his academic and research excellence. A sought-after speaker, Dr. Agarwal has delivered guest lectures and conducted training programs at various local and national forums, sharing his deep knowledge of maxillofacial surgery, trauma management, and dental implantology. His dedication to continuous learning is evident in his completion of the ATLS (Advanced Trauma Life Support) course in 2022, equipping him with advanced trauma care expertise. If you're looking for an expert in maxillofacial trauma, TMJ disorders, or advanced dental implantology, Dr. Agarwal is a leading specialist in North Bengal and beyond.
