Overview

In obstetrics and gynaecology, Dr. Chaya Patil is a highly skilled Senior Consultant focusing on high-risk pregnancies and gynaecological endoscopic surgery. She offers women outstanding treatment and support throughout their reproductive health journey because of her vast training and experience. Dr. Patil has an exceptional academic history; in 1990, she earned her MBBS from the Karnataka Institute of Medical Sciences (KIMS), Hubli. She continued to pursue her MD in Obstetrics & Gynaecology in 1996 from Bangalore Medical College and Research Institute, Bangalore. She has the knowledge and abilities to provide her patients with comprehensive treatment thanks to her solid academic foundation. Dr. Chaya Patil ensures that her patients receive individualised care and efficient treatment by offering various services. Her expertise is treating high-risk pregnancies, which need specialised care because of things like advanced maternal age, numerous pregnancies, or underlying medical issues. Her proficiency in gynaecologic endoscopic surgery enables her to carry out less invasive operations, resulting in a quicker recovery and fewer postoperative problems. Dr. Patil is a multilingual healthcare professional who speaks

English, Kannada, and Hindi easily, allowing her to interact effectively with patients from various linguistic backgrounds. A good doctor-patient connection, trust, and ensuring that patients completely grasp their treatment options and care plans are all facilitated by this linguistic competency. No wonder she has positioned herself as one of the best OBG specialists in Begur, Bangalore. The memberships and qualifications Dr. Chaya Patil holds attest to her dedication to quality. She has prestigious memberships in the Indian Medical Association (IMA), the Federation of Obstetric and Gynaecological Societies of India (FOGSI), and the Indian Council of Obstetricians and Gynaecologists (FICOG). These associations reflect her commitment to upholding the highest medical practice standards and remaining current with developments in her area. Dr. Patil has received praise for her services to the medical industry during her career. She has demonstrated her dedication to study and information sharing by presenting papers on ectopic pregnancy and gestational diabetes in pregnancy. Beyond her professional knowledge, Dr. Chaya Patil places a high priority on giving her patients empathetic treatment. She offers a comprehensive range of services, including pap smear, tubectomy/tubal ligation, infertility evaluation and treatment, cervical cerclage, gynaecological problems, obstetrics/antenatal care, normal vaginal delivery (NVD), in-vitro fertilisation (IVF), maternal care/checkup, intra-uterine insemination (IUI), caesarean section (C-section), dysmenorrhoea treatment, and viability scans. Dr. Chaya Patil has pursued additional training and certification to acknowledge her dedication to increasing medical knowledge and enhancing patient outcomes. The prominent World Laparoscopy Hospital in Gurgaon, NCR, New Delhi, awarded her a Fellowship in Minimal Access Surgery in 2014. This improves her capacity to provide her patients with cutting-edge, less intrusive therapy alternatives.
