

DR. KAVITA SUMANTH

Consultant - Obstetrics & Gynaecology (OBG)

Qualification

MBBS | MS (UCMS, New Delhi) | DNB | Fellowship in Minimal Invasive Surgery (Mumbai) | Fellowship in Gynaecologic Oncology

Overview

Dr. Kavita Sumanth is a distinguished obstetrician, gynaecologist, and laparoscopic surgeon in Electronic City with over a decade of experience in comprehensive women's healthcare. She currently practices as a Consultant – Obstetrics & Gynaecology at Manipal Hospital Electronic City. Dr. Kavita Sumanth possesses advanced expertise in high-risk pregnancy management, minimally invasive (laparoscopic) gynaecological surgery, and gynaecological oncology. Her broad clinical acumen and compassionate, patient-centred approach have established her among the experienced gynaecologists in Electronic City for both routine and complex women’s healthcare. Dr. Kavita Sumanth completed her MBBS and MS in Obstetrics & Gynaecology from the prestigious University College of Medical Sciences (UCMS), New Delhi, followed by a Diplomate of the National Board (DNB). To further refine her surgical precision, she completed a Fellowship in Minimally Invasive Surgery in Mumbai and a specialised Fellowship in Gynaecologic Oncology. Her rigorous academic background and double-fellowship training equip her to manage complex surgical and oncological conditions with advanced evidence-

based protocols. At Manipal Hospital Electronic City, Dr. Kavita Sumanth provides holistic care across all stages of a woman's life. Her clinical expertise covers the medical and surgical management of benign gynaecological disorders, including uterine fibroids, ovarian cysts, endometriosis, pelvic pain, and abnormal uterine bleeding. Utilising advanced laparoscopic techniques, she performs keyhole surgeries that offer patients significant benefits, such as minimal scarring, reduced postoperative discomfort, shorter hospital stays, and faster recovery. In gynaecologic oncology, Dr. Kavita Sumanth provides specialised surgical care for women diagnosed with pre-malignant and malignant conditions, including cervical, ovarian, endometrial, and uterine cancers. Her fellowship training in gynaecologic oncology enables her to perform precise tumour staging, complex pelvic dissections, and multidisciplinary cancer care planning aimed at optimising long-term health outcomes. As a dedicated obstetrician, Dr. Sumanth has a special interest in high-risk pregnancy management. She regularly manages pregnancies complicated by hypertension, gestational diabetes, multiple gestations, fetal growth restriction, and previous pregnancy losses. Through careful maternal-fetal monitoring, tailored treatment plans, and empathetic clinical guidance, she ensures the safety and well-being of both mother and baby throughout the maternity journey. With expertise spanning obstetrics, minimally invasive surgery, benign gynaecology, and gynaecologic oncology, Dr. Kavita Sumanth provides a comprehensive range of women's healthcare services at Manipal Hospital Electronic City. Fluent in English, Hindi, and Kannada, Dr. Kavita Sumanth is able to communicate effectively with patients from diverse backgrounds. Her combination of clinical experience, specialised fellowship training, and compassionate communication makes her a trusted choice for women seeking an experienced gynaecologist in Electronic City.
