

DR. RAKESH ROSHAN

Consultant - Urology

Qualification

MBBS | M.S | M.Ch (Urology)

Overview

Dr. Rakesh Roshan is the best urologist in Goa, currently serving as a consultant in Manipal Hospitals. With a strong educational background and extensive training, he is committed to providing exceptional care to his patients. Dr. Roshan began his medical journey with a Bachelor of Medicine and Bachelor of Surgery (MBBS) from Kasturba Medical College, Mangalore. He further pursued an MS in General Surgery from the same institution. Also, he earned an MCh in Urology from IMS and SUM Hospital, Bhubaneswar in 2023. His professional journey includes a diverse range of experiences. Dr. Roshan served as an academic junior resident in the Department of General Surgery for three years, followed by a year as a senior resident and eight months as an assistant professor. Subsequently, he dedicated three years as an academic senior resident in the Department of Urology, honing his skills and knowledge in the field. Dr. Roshan's key skills encompass endourology, laparoscopic urological surgeries, andrology, and reconstructive surgeries. He proficiently handles various endourology cases independently, including PCNL, URSL, TURP, TURBT, and RIRS. He also specializes in reconstructive

surgeries such as BMG urethroplasty and hypospadias repair. His expertise extends to laparoscopic urological surgeries, where he has demonstrated competency in oncological cases. Dr. Roshan speaks English, Hindi, Kannada and Odia, ensuring clear communication with a diverse patient population. He prioritizes patient understanding and strives to create a comfortable and informative experience. With his dedication, knowledge, and commitment to excellence, Dr. Rakesh Roshan remains a valuable asset to Manipal Hospitals, Goa, ensuring the best possible care for his patients.
