

DR. DINESH V KAMATH

Consultant - Internal Medicine

Qualification

MBBS | MD (General Medicine)

Overview

Dr. Dinesh V Kamath is a highly respected and accomplished consultant in Internal Medicine at Manipal Hospitals. With an impressive qualification of MBBS and MD in General Medicine, Dr. Kamath brings a wealth of knowledge and expertise to his field due to his fellowship at the prestigious STENO Diabetes Center in Denmark, that further enhances his skills in diabetology. Dr. Kamath is a respected member of numerous prestigious medical organisations, including the Association of Physicians of India (API) and the Research Society for the Study of Diabetes in India (RSSDI). His associations demonstrate his dedication to remaining current on developments and research in his fields of specialisation. Dr. Kamath is widely acknowledged for his commitments to internal medicine, critical care, and diabetology. He is well-known for his all-encompassing approach to patient care, ensuring people receive personalised treatment programs customised to their unique requirements. Dr. Dinesh is one of the best physicians in Malleshwaram, Bangalore. Dr. Kamath has distinguished accomplishments, outstanding credentials, and various memberships in the medical field. He has been featured in various talks and

publications, shedding light on critical topics such as the increasing cases of diabetes and the immediate need for patient awareness regarding diseases. His notable publications include "Bengaluru Beats Mumbai, and That's not a good thing" and "Doctors are losing their patients." These articles reflect his dedication to educating the medical fraternity and the general public about pressing healthcare issues. Dr. Kamath has also shared his insights on managing the new mutation of diseases, emphasising the importance of staying informed and implementing appropriate measures to combat evolving health challenges. His expertise has been instrumental in guiding medical professionals and patients alike during times of crisis. With familiarity with different dialects, including Kannada, Hindi, English, and Telugu, Dr. Kamath effectively speaks with diverse patients, guaranteeing clear comprehension and powerful treatment results. The excellent reputation that Dr. Dinesh V. Kamath enjoys as an Internal Medicine Consultant is well-deserved. Given his commitment to his patients and in-depth preparation and skill, he is a regarded medical professional. Dr. Kamath focuses on the well-being and recovery of his patients while giving sympathetic and proof-based treatment, whether in diabetology, internal medication, or critical care. In summary, Dr. Dinesh V Kamath's qualifications, memberships, and contributions to the field of medicine highlight his dedication and expertise as a Consultant in Internal Medicine. His patient-centred approach and extensive knowledge in diabetology, internal medicine, and critical care make him a highly sought-after healthcare professional. With a commitment to advancing patient awareness and delivering exceptional care, Dr. Kamath continues to contribute significantly to the medical community at Manipal Hospitals.
