

DR. MANJUNATH B V

Consultant - Orthopedics

Qualification

MBBS | DNB Ortho | Fellow in Sports Injury and Arthroscopy

Overview

Dr. Manjunath B V is a Consultant – Orthopedics at Manipal Hospital Malleshwaram, Bangalore. With over a decade of experience, Dr. Manjunath is proficient in a variety of orthopaedic procedures including Trauma Management, Arthroscopy, Sports Injury, and Joint Replacement. On the academic front, he completed his MBBS degree from Rajiv Gandhi University of Health Sciences in 2010. He then pursued his DNB - Orthopaedic Surgery at REX Ortho Hospital of Coimbatore in 2018. To master his skills and knowledge in orthopaedics, Dr. Manjunath went on to earn a Fellowship in Sports Injury and Arthroscopy from RGUHS University in the year 2022. He is the Best Joint Replacement Surgeon in Bangalore. Currently, an orthopaedician at Manipal Hospital Malleshwaram, Dr. Manjunath B V is an ardent follower of medical protocols during treatments or surgeries. His accumulated knowledge and rich experience have allowed him to treat patients effectively through medications and various orthopaedic surgeries. Dr. Manjunath fosters a safe and trustworthy environment for his patients to open up and share their concerns without hesitation. He ensures they understand their treatment plans thoroughly and

actively participate in developing them. Dr. Manjunath B V's understanding of his field has awarded him with several prestigious honours. He was the winner of the TNOA K.M.C PG QUIZ competition 2016, held in Ooty. His scientific presentation on "Analysis of Functional Outcome of Proximal Humerus Fractures with Percutaneous K wire Fixation" in TNOACON, 2016, was highly recognised. Moreover, Dr. Manjunath takes an evidence-based and patient-first approach to his treatments, which makes him a highly sought-after professional. For his amazing qualifications, achievements, and humanitarian approach, he is considered one of the best orthopaedic surgeons in Bangalore.
