

DR. KIRAN KUMAR C

Consultant - Emergency Medicine Physician

Qualification

Master's in Emergency Medicine CCT-EM | Bachelor Of Medicine and Bachelor Of Surgery

Overview

Dr. Kiran Kumar C is a skilled emergency medicine specialist in Malleshwaram, Bangalore, currently practising as a Consultant – Emergency Medicine Physician at Manipal Hospital Malleshwaram. Dr. Kiran provides rapid, expert, and life-saving care to patients presenting with critical, time-sensitive, and high-acuity medical conditions. Known for his efficiency, calm leadership in emergencies, and strong clinical judgement, he is regarded as one of the best emergency medicine physicians in Malleshwaram for handling complex emergencies, trauma cases, and life-threatening situations with accuracy and composure. Dr. Kiran Kumar has built a strong foundation in emergency medicine through years of rigorous training and hands-on experience in some of the most demanding emergency care environments. He completed his Master’s in Emergency Medicine (CCT-EM) at Manipal Hospital Hebbal, followed by continuous exposure to high-volume emergency departments that shaped his ability to make quick, evidence-based decisions in critical scenarios. His clinical beginnings as a Junior Resident in Emergency Medicine allowed him to develop a sharp eye for early diagnosis and timely interventions, skills that are vital in

preventing complications and saving lives. His approach is grounded in clinical precision, compassionate patient communication, and the belief that timely intervention can change the entire course of a patient's survival and recovery. In his current role at Manipal Hospital Malleshwaram, Dr. Kiran Kumar independently assesses, stabilises, and manages acute medical, surgical, trauma, cardiac, neurological, paediatric, toxicological, and respiratory emergencies. His expertise spans the full spectrum of emergency care, from leading resuscitation codes and conducting rapid medical triage to coordinating interdisciplinary care for critically ill patients. He performs advanced emergency procedures, including endotracheal intubation, central line placement, chest tube insertion, arterial line access, temporary pacemaker insertion, fracture and dislocation reduction, wound suturing, and procedural sedation. Beyond clinical expertise, Dr. Kiran Kumar is well recognised for his leadership in emergency response teams. He is actively involved in supervising junior residents, medical interns, and nursing trainees, fostering a learning environment that strengthens the emergency department's preparedness and efficiency. With a deep understanding of emergency protocols, he actively participates in hospital-wide disaster response drills, simulation-based training, quality improvement audits, and mortality review panels. His strong communication skills ensure seamless coordination with multidisciplinary teams, enabling smooth patient transitions for admission, observation, or discharge. Over the years, Dr. Kiran Kumar has consistently upgraded his training with advanced certifications, including BLS, ACLS, NTLS, and specialised courses in trauma care, hand surgery, paediatric oncology emergencies, and critical care. His proficiency in POCUS (Point-of-Care Ultrasound) enhances his bedside diagnostic capability, enabling quicker decision-making in life-threatening conditions such as internal bleeds, shock, cardiac tamponade, or pulmonary complications. He is fluent in Kannada, English, Telugu, and Hindi, making him accessible to diverse patient groups and effective in communicating during high-stress situations

when families need reassurance, empathy, and clarity the most. What sets Dr. Kiran apart is his compassionate approach. He firmly believes that emergency medicine is more than clinical treatment; it is about providing comfort, confidence, and emotional support to patients and their families during the most distressing and vulnerable moments of their lives. Driven by a deep commitment to serve humanity, he aims to make quality emergency care accessible, patient-centred, and timely for the community. For individuals seeking a dependable emergency care specialist who combines clinical excellence with human sensitivity, Dr. Kiran stands as one of the best emergency medicine physicians in Malleshwaram to trust during medical crises.
