

DR. PARTHASARATHI DUTTA ROY

Consultant – Dermatology

Qualification

MBBS | DDVL | MD - Skin & DVD

Overview

Dr. Parthasarathi Dutta Roy is a dermatologist in Malleshwaram with over 20+ years of clinical experience in clinical dermatology, advanced aesthetic enhancements, and hair loss therapies. He is currently practising as a Consultant - Dermatology at Manipal Hospital Malleshwaram. Dr. Roy possesses deep expertise in managing complex skin disorders, performing anti-ageing therapies, non-surgical facial rejuvenation, hair restoration procedures, and paediatric dermatology. His comprehensive and meticulous approach to long-term skin health has established him among the best dermatologists in Malleshwaram for personalised medical and cosmetic skincare. Dr. Roy completed his MBBS from Sri Siddhartha Medical College & Research, followed by a Postgraduate Diploma in Dermatology, Venereology, and Leprosy (DDVL) from the Rajiv Gandhi University of Health Sciences (RGUHS), Bengaluru. He further advanced his specialisation by earning his MD in skin & DVD. Dr. Roy has built a robust clinical foundation through intensive tenures as a resident and senior resident at premier medical establishments, including Kasturba Medical College (KMC). At Manipal Hospital Malleshwaram, Dr. Parthasarathi Dutta Roy provides evidence-

based medical treatments and state-of-the-art aesthetic procedures for a highly diverse patient base. His clinical portfolio encompasses advanced treatments for chronic skin conditions like psoriasis, vitiligo, severe acne, and eczema, alongside modern hair therapies for various forms of alopecia. Dr. Roy safely delivers laser-assisted therapies, chemical peels, scar revision techniques, and skin resurfacing procedures with extreme precision and structural understanding. His exceptional track record in delivering natural aesthetic outcomes and managing clinical skin diseases positions him among the best skin specialists in Malleshwaram, Bangalore. Dr. Roy is known for his patient-centric ethics, operational discipline, and ability to prioritise optimal patient care even during high-volume outpatient hours. He remains heavily dedicated to continuous professional development, staying closely aligned with contemporary technological advancements in aesthetic medicine and clinical pharmacotherapy. Fluent in English, Hindi, Kannada, and Bengali, he ensures an empathetic, multi-lingual communication style that helps patients understand their treatment journeys with utmost comfort and absolute clarity.
