

DR. AKHILESH KUMAR AGARWAL

Consultant - Plastic Surgeon

Qualification

MBBS | MS (General Surgery) | MCh (Plastic Surgery)

Overview

Dr. Akhilesh Kumar Agarwal is a renowned consultant in Plastic Surgery at Manipal Hospitals, Mukundapur, where he has been working for the past 10 years. Dr. Agarwal's educational qualifications are impressive, he holds an MBBS degree from Burdwan Medical College with honours and a gold medal. He further pursued a master's degree in General Surgery and has postdoctoral training in Plastic Surgery. He further honed his skills with advanced training in Microvascular Reconstructive Surgery from Chang Gung Memorial Hospital in Taiwan and specialised in Aesthetic and Reconstructive Breast Surgery at the Mayo Clinic in Rochester, Minnesota, USA. As a plastic surgeon, Dr. Agarwal has successfully managed numerous critical cases. His areas of expertise include Microvascular Reconstruction, Reimplants, Trauma Reconstruction, Cancer Reconstruction, Cosmetic Surgery, Hand surgery, and Congenital Defect Management. He is particularly known for his work in Breast surgery, Liposculpting, Burn management, and more. He has successfully treated several patients with birth and skin defects and those suffering from complex cases, such as burns. Committed to providing the highest standards of care, Dr. Agarwal

collaborates closely with specialists across disciplines to ensure comprehensive care. Dr. Agarwal is an active member of several prestigious medical organisations. He is also a keen learner and keeps abreast of the latest developments and techniques by attending various workshops and conferences regularly. He has presented several papers in national and international forums, many of which have been published in reputable journals. A dedicated philanthropist, Dr. Agarwal actively works in association with Response Clinic and Smile Train to offer patients free cleft care. His fluency in English, Hindi, Bengali, and Marwari, helps him communicate with patients from various backgrounds, ensuring empathetic and personalised care. As a plastic surgery specialist in Kolkata, he uses his expertise and knowledge, to provide patients with the highest quality care.
