

DR. EV RAMAN

Consultant - Ear Nose & Throat

Qualification

MBBS | DLO | MS

Overview

Dr. E. V. Raman is a well-known ENT specialist based in Bangalore. He is currently associated with Manipal Hospital located at Old Airport Road in Bangalore as a consultant of ear, nose, throat, and otorhinolaryngology. He has expertise in treating ENT diseases, paediatric airway surgery, and endoscopic skull-based surgery. He is known as one of the best otorhinolaryngologists in Bangalore. Dr. E. V. Raman has a rich experience of over 38 years in the medical field. He completed his MBBS from Pune University in 1973. After completing his MBBS, he went on to pursue MS from the JSS Medical College in Mysore, and his area of specialisation was ENT. He completed his MS in 1980. He also holds a diploma in Otorhinolaryngology. Dr. Raman is an expert in various procedures like otoplasty, ear reconstruction, cochlear implants, sinus surgery, and congenital ear problem treatment. He was key in developing the Paediatric Airway and Tracheostomy Safety Module along with CASC (Children's Airway and Swallowing Center). It is a one-of-a-kind safety module that he successfully pioneered in association with Manipal Hospitals. For the same reason, he is considered as the foremost consultant Ear Nose

Throat in Oldairportroad, Bangalore. Dr. E. V. Raman is a fellow and member of reputed societies like the Association of Otolaryngologists of India and the Indian Academy of Otolaryngology and Head and Neck Surgery. He is also a member of the Aerospace Medicine Society of India and the Indian Society of Otology. He is also the Chief Architect of the Center for Otitis Media Research and Education (CORE). Through this role, he is working on spreading awareness about the causes and treatments of middle ear infections. He is registered with the Punjab Medical Council as well. Dr. Raman has been awarded a silver medal from the Chief of Air Staff for his contribution to the medical field. He received a Guest Oration Award at the Pakistan ENT Association annual meeting held in Karachi. He has also received an award for Guest Oration from the Society of Advancement of ENT in Children (also known as SENTAC) in San Francisco, in the United States of America. In addition, Dr. E. V. Raman has received a Col Dr. Bapatla Oration Award from AOI Hyderabad. Dr. Raman answered the viewers' questions about COVID-19 live on Republic TV. He has authored a wide variety of articles that have been published in various magazines and medical journals. He has written on topics such as paediatric tracheostomy, managing a smoke inhalation laryngotracheal injury, mature nasopharyngeal teratoma in neonates, and otitis media with effusion in the paediatric population. He can speak multiple languages like Kannada, English, Tamil, Punjabi, Hindi, Arabic, Bengali, and Malayalam.
