

DR. KAUSHIK CHANDRA MALLICK

Senior Consultant - Urology

Qualification

MBBS | MS | FRCS

Overview

Dr. Kaushik Chandra Mallick is a highly accomplished Senior Consultant in Urology, with over 12 years of dedicated experience in the field. He is known for his expertise in Endo-Urology, a specialised area focusing on minimally invasive surgical techniques for treating conditions related to the urinary tract. Dr. Mallick completed his MBBS from NRS Medical College, Kolkata, in 1988 and went on to pursue MS in General Surgery from the University College of Medicine, Kolkata, in 1994. He further honed his surgical skills by earning a Fellowship from the prestigious Royal College of Surgeons, reflecting his commitment to advanced surgical education and global standards of care. Throughout his medical career, Dr. Mallick has developed a reputation for delivering high-quality, patient-centric care. He is proficient in treating a wide range of urological disorders, including kidney stones, urinary tract infections, prostate enlargement, bladder issues, and male reproductive health conditions. His area of expertise, Endo-Urology, allows him to perform procedures such as ureteroscopy, transurethral resection of the prostate (TURP), and laser-assisted surgeries with minimal discomfort and quicker recovery for patients. He is known for

his methodical approach, empathetic consultation style, and ability to clearly explain complex medical procedures to his patients. He is the best Urologist in Salt Lake, Kolkata. Dr. Mallick is an active member of the Bengal Urological Society and stays engaged in ongoing professional development. He frequently attends medical conferences, contributes to urology forums, and collaborates with peers to adopt emerging technologies and best practices in his field. Fluent in English, Bengali, and Hindi, he ensures effective communication with patients from various backgrounds. As a respected figure in the medical community, Dr. Kaushik Chandra Mallick continues to make significant contributions to urological care in Kolkata, providing precise, compassionate, and innovative treatment to improve the quality of life for his patients. His dedication to both clinical excellence and patient education makes him a trusted choice for comprehensive urological care.
