

DR. AVINASH S

Consultant – Pediatrician

Qualification

MBBS | MD (Pediatrics)

Overview

Dr. Avinash S is the best skilled and experienced Consultant Paediatrician specialising in Neonatal Critical Care. With a huge experience of 17+ years, Dr. Avinash S has proven himself to be a trusted medical professional in paediatrics. He holds an MBBS degree and an MD in paediatrics, showcasing his extensive educational background. Dr. Avinash S has further honed his expertise through a fellowship in Neonatal Critical Care, which has offered him knowledge and training. This specialised training equipped him with the necessary skills to offer comprehensive care for premature babies and infants with critical medical conditions. In addition to his specialisation in neonatology, Dr. Avinash S is well-skilled in various other areas of paediatric medicine. He possesses a keen interest and expertise in Nutritional Assessment, Vaccination/Immunisation, Bronchial Asthma, and allergy management. His thorough understanding of these subjects enables him to offer good quality care to children. One of Dr. Avinash S’s primary focus areas is Growth & Development Evaluation and Management. He ensures that children reach their full physical, cognitive, and emotional development potential. By closely monitoring

growth parameters and offering appropriate, Dr. Avinash S wants to encourage healthy development in children. For the same reason, he is considered one of the best child specialists in Sarjapur. With an extensive set of skills and knowledge, Dr. Avinash S excels in General Paediatrics, handling various medical conditions and offering holistic care to children. His expertise extends beyond medical treatment, emphasising defending, care, and health education. Dr. Avinash S believes in building strong doctor-patient relationships and actively involves parents in decision-making to ensure the best outcomes for their children. Besides his medical qualifications, Dr. Avinash S is multilingual and proficient in English and Hindi. This allows him to effectively communicate with patients and their families, offering them clear explanations and addressing any concerns they may have. Dr. Avinash S's commitment to paediatric care is evident in his years of experience and continuous professional development. He keeps current on the trending advancements in the field by attending workshops, and seminars, enabling him to offer the most up-to-date and evidence-based care to his young patients. With his extensive qualifications, specialised training, and compassionate approach, Dr. Avinash S is dedicated to the health and well-being of children. His expertise in Neonatal Critical Care, Bronchial Asthma, Growth and development, and General Paediatrics make him a valuable resource for families seeking comprehensive paediatric care.
