Qualification

MBBS | DCH | DNB PAEDIATRICS

Overview

Dr. Praveen Kumar K is a highly skilled and compassionate paediatrician and neonatologist, currently serving as a Consultant in the Department of Paediatrics and Neonatology at Manipal Hospital Sarjapur Road, Bangalore. With over seven years of experience in the field, he specialises in diagnosing and managing a diverse range of paediatric and neonatal conditions, including critically ill newborns and premature infants. Known for his patient-centric approach, Dr. Praveen ensures that every child receives personalised care tailored to their specific needs. Dr. Praveen's educational journey is marked by excellence and dedication. He holds an MBBS degree from Vijayanagar Institute of Medical Sciences, Bellary, and a Diploma in Child Health (DCH) from JJM Medical College, Davangere. He further advanced his expertise by obtaining a Diplomate of National Board (DNB) in Paediatrics from the National Board of Examinations, New Delhi. Committed to continuous professional development, Dr. Praveen completed the prestigious Postgraduate Program on Paediatric Nutrition (PGPN) from Boston University, USA, and has achieved certifications in neonatal resuscitation and paediatric advanced life

support. Dr. Praveen is proficient in a wide array of critical procedures, which include endotracheal intubation, central line insertion, and intravenous cannulation, even for premature and extremely low birth weight neonates. He is well-versed in advanced neonatal and paediatric resuscitation techniques, making him highly capable of handling emergency situations in both Neonatal Intensive Care Units (NICUs) and Paediatric Intensive Care Units (PICUs). Beyond his technical skills, Dr. Praveen demonstrates a deep commitment to areas such as general paediatrics, paediatric nutrition and growth, infectious disease control, and immunisation. His ability to explain complex medical situations in simple, reassuring terms fosters trust and confidence among parents and caregivers. Dr Praveen’s roles as a junior consultant and a senior registrar in Paediatrics and Neonatology have provided him with extensive experience in managing both outpatient and inpatient paediatric care, honing his ability to address diverse medical challenges. Fluent in Kannada, Telugu, English, Hindi, and Malayalam, Dr. Praveen connects seamlessly with families from varied backgrounds, ensuring effective communication and collaboration. His passion for paediatric healthcare, combined with his dedication to staying updated with the latest medical guidelines, underscores his unwavering commitment to improving the lives of children and their families.
