

DR. DIGANT KAMDAR

Consultant - Neurosurgery

Qualification

MBBS | M.R.C.S.(Edinburgh) | F.R.C.S(Neuro Surgery)

Overview

Dr. Digant Kamdar is an esteemed consultant in the Department of Neurosurgery at Manipal Hospitals, Siliguri. With more than 30 years of experience in neurosurgical practice, he brings a rich blend of clinical expertise, surgical precision, and compassionate care to his patients. Dr. Kamdar completed his MBBS and an MS in General Surgery. He further obtained a fellowship from the Royal College of Surgeons (FRCS) in the field of Neurosurgery. Moreover, Dr. Kamdar also holds a membership (MRCS) from the same institution, reflecting his strong academic and surgical foundation. Trained under renowned experts during his professional career, Dr. Kamdar gained exposure to performing many advanced neurosurgical procedures. His clinical interests include brain and spinal disorders, complex spine surgeries, and neuro-oncology. He particularly focuses on tumour-related surgeries and trauma management in the neuro and spine domains. In addition to his surgical expertise, Dr. Kamdar is also deeply involved in emergency trauma care, especially in managing acute spinal injuries and neurosurgical emergencies. Over the years, Dr. Kamdar has developed a strong reputation for managing challenging brain and

spine cases. His comprehensive understanding of both neuroanatomy and surgical techniques has enabled him to offer treatments that align with the latest advancements in the field. Known for his patient-centred approach, Dr. Kamdar ensures that every individual receives not only expert medical attention but also personalised care and emotional support. He works closely with multidisciplinary teams and integrates the latest neurosurgical techniques. His expertise has helped him to provide holistic and coordinated treatment plans tailored to every patient's unique needs. Fluent in English, Hindi, and Bengali, Dr. Kamdar also helps individuals and families navigate complex neurological conditions with confidence. Dr. Kamdar's dedication, experience, and leadership make him a key pillar in the Neurosurgery team at Manipal Hospitals, Siliguri.
