

DR. SAMARASIMHA REDDY D

Consultant - Cardiology

Qualification

MBBS | DNB (General Medicine) | DM (Cardiology)

Overview

Dr. Samarasimha Reddy D is an esteemed Consultant in Cardiology, bringing a wealth of expertise and experience to the field. Dr. Reddy is currently working at Manipal Hospitals, Vijayawada. He holds an MBBS and DNB in general medicine and specialises in a DM in Cardiology from Jayadeva Institute. His dedication to excellence is evident in his numerous accolades and achievements. Dr. Reddy is a skilled interventional cardiologist, performing advanced procedures like pacemaker implantations, angiograms and coronary interventions, peripheral interventions, & Device closures. His proficiency extends to preventive cardiology, where he emphasises proactive measures to maintain heart health. Also, he is adept at non-invasive bedside cardiac emergency procedures, ensuring swift and effective care when every moment counts. He is the best Interventional Cardiology Doctor in Vijayawada. Dr. Reddy's commitment to advancing the field is highlighted by his awards and recognitions. Notably, he was honoured with the Ludhiana Best Paper award at the 74th Annual Conference of the Association of Physicians of India (APICON 2019). His academic prowess is underscored by achievements such as securing merit in the

Gold medal exam conducted by the Department of Pharmacology, Guntur Medical College. In national examinations, Dr. Reddy has consistently ranked among the top performers. He achieved an impressive All India Rank of 38 in the Diplomat of National Board (DNB) common entrance test. Furthermore, his stellar performance in examinations conducted by institutions like AIIMS, PGIMER Chandigarh, and JIPMER Pondicherry further solidifies his standing as a leader in his field. With a NEET-SS 2020 All India rank of 75, Dr. Reddy continues to demonstrate his proficiency and dedication to advancing the field of cardiology. Dr. Reddy speaks Telugu, English and Hindi, ensuring clear communication with a diverse patient population. Patients can trust in Dr. Reddy's expertise, compassionate care, and commitment to optimal heart health.
