

DR. PAVAN KUMAR Y M

Consultant – Medical Gastroenterology

Qualification

MBBS | MD Internal Medicine | DM Medical Gastroenterology

Overview

Dr. Pavan Kumar Y M is an experienced medical gastroenterologist in Whitefield, currently practising as a Consultant – Medical Gastroenterology at Manipal Hospital Whitefield. With over 10 years of experience in internal medicine, gastroenterology, hepatology, and interventional endoscopy, Dr. Pavan Kumar specialises in the diagnosis and management of gastrointestinal, liver, pancreatic, and biliary disorders. His comprehensive approach to digestive health and hepatobiliary diseases has established him as a trusted specialist for both routine and complex gastroenterological conditions. Dr. Pavan completed his MBBS from Mysore Medical College and Research Institute, Mysore, followed by an MD in Internal Medicine from Pt B. D. Sharma Post Graduate Institute of Medical Sciences, Rohtak. He subsequently pursued his DM in Medical Gastroenterology from St. John’s Medical College and Hospital, Bengaluru, where he received advanced training in gastroenterology, hepatology, pancreatology, and therapeutic endoscopy. He has also successfully completed the European Speciality Examination in Gastroenterology and Hepatology (ESEGH), further strengthening his expertise in evidence-based

digestive disease management. At Manipal Hospital Whitefield, Dr. Pavan Kumar manages a broad spectrum of gastrointestinal, liver, pancreatic, and biliary diseases. His clinical expertise includes acid reflux disease, peptic ulcer disease, inflammatory bowel disease, irritable bowel syndrome, gastrointestinal bleeding, liver cirrhosis, fatty liver disease, viral hepatitis, pancreatic disorders, biliary diseases, gastrointestinal cancers, and complex digestive health conditions. Among the best medical gastroenterologists in Whitefield, Dr. Pavan is highly skilled in both diagnostic and therapeutic upper and lower gastrointestinal endoscopy procedures. His procedural expertise includes endoscopy, colonoscopy, ERCP, endoscopic ultrasound (EUS), cystogastrostomy, foreign body removal, stricture dilatation, polypectomy, metallic stenting, capsule endoscopy, high-resolution manometry, and FibroScan assessment. He is particularly experienced in managing complex pancreatobiliary disorders through minimally invasive endoscopic interventions. His special interests include hepatology, pancreatology, and luminal gastroenterology. He routinely evaluates and manages patients with chronic liver disease, pancreatic disorders, motility disorders, and advanced gastrointestinal conditions requiring specialised diagnostic and therapeutic procedures. His expertise in advanced endoscopic interventions and liver disease management has established him as a leading liver doctor in Whitefield and complex gastroenterology care. Dr. Pavan is a member of the Indian Society of Gastroenterology (ISG) and remains committed to staying updated with the latest advancements in gastroenterology, hepatology, and interventional endoscopy. Fluent in Kannada, English, and Hindi, he ensures clear communication and personalised treatment planning for patients from diverse backgrounds.
