

DR. VIKRANT GOSAVI

Consultant - Endocrinology

Qualification

MBBS | MD | DM Endocrinology | SCE (UK) Endocrinology & Diabetes

Overview

Dr. Vikrant Gosavi is a highly experienced and reputed endocrinologist, currently practising at Manipal Hospitals, Baner, Pune. With over 7 years of focused experience in the field of endocrinology, he is known for his evidence-based care and deep understanding of complex hormonal disorders. Dr. Gosavi completed his MBBS from Government Medical College, Aurangabad, and pursued an MD in Paediatrics from B.J. Government Medical College and Sassoon General Hospital, Pune. He later earned his DM in Endocrinology from the prestigious Seth GS Medical College and KEM Hospital, Mumbai, in 2017. He also holds the Speciality Certificate Examination (SCE) in Endocrinology and Diabetes from the UK, reflecting his international expertise. His clinical proficiency covers a broad spectrum of endocrine conditions such as diabetes mellitus, thyroid disorders, obesity, metabolic bone diseases, adrenal and pituitary disorders, PCOS, parathyroid dysfunctions, and endocrine cancers. Known for his personalised and empathetic approach, Dr. Gosavi ensures that each patient receives a treatment plan tailored to their unique health needs. Beyond clinical practice, Dr. Gosavi is actively involved in academic research and has published

several papers in national and international journals. His research work focuses on niche areas such as paraganglioma, hyperparathyroidism, and endocrine imaging, contributing significantly to the growing body of endocrine knowledge in India. Respected for his clarity in communication and ethical medical approach, Dr. Vikrant Gosavi continues to be a trusted specialist in managing both routine and complex endocrine disorders. At Manipal Hospitals, Baner, he combines clinical excellence with compassionate care, helping patients regain hormonal balance and improve their quality of life.
