

DR. TARUN JELOKA

Head of the Department and Consultant Nephrology

Qualification

MD | DM | FRCP

Overview

Dr. Tarun Jeloka is a very distinguished Nephrologist and Transplant Expert in Baner, Pune, who has written many articles which have been published in Indian and International journals. He is a reviewer of several Journals. He has been a Postgraduate Teacher for years now and he is involved in clinical trial studies as a principal investigator. Dr. Tarun Jeloka received many prestigious awards in the Medical community for his compassion, presented many papers at conferences as well as been a faculty lecturer in many Medical Colleges. He has written a few chapters in the books of ISCCM, and Primer First Edition books. He completed his MBBS from Patna Medical College in the year 1994. He has done MD in Medicine in the year 1998 and also cleared DNB in 1999. Dr. Tarun Jeloka did DM Nephrology from Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow in the year 2002, and DNB Nephrology in the year 2003 where he received a Gold medal. He has done FRCP from the Royal College of London in the year 2018. Dr. Tarun is one of the best nephrologists in Pune, known for his professional and compassionate conduct and vast experience. He thoroughly analyses the reports and discusses the case with other

department experts if needed to create a comprehensive treatment plan. Dr. Jeloka also believes in patients' rights and ensures that his patients are making well-informed and confident decisions for which he counsels, and educates them about every aspect of the treatment. He also guides them to recover faster in their post-op phase. Positive reviews from all his patients are a testament to his pragmatic approach. Dr. Tarun is skilled in performing various minimally invasive procedures. In addition to offering customised and optimum care to the patients, Dr. Tarun also actively participates in seminars and conferences dedicated to the advancements in the medical world.
