

DR. BHUSHAN NAGARKAR

Head of the Department and Consultant - Critical Care

Qualification

MBBS | MD (Anesthesia) | DNB (Anesthesia) | FNB (Critical Care Medicine) | European Diploma in Critical Care (EDIC)

Overview

Dr. Bhushan Nagarkar is a highly accomplished Specialist and the Head of the Department at Manipal Hospital, Baner, Pune. With over 11 years of clinical experience in managing critically ill patients, Dr. Nagarkar is known for his expertise in advanced intensive care, organ support therapies, and emergency medicine. He completed his MBBS from NDMVP's Medical College, Nashik, followed by MD and DNB in Anaesthesia from the prestigious Tata Memorial Centre, Mumbai. To further specialize, he pursued a Fellowship in Critical Care Medicine (FNB) from Kokilaben Dhirubhai Ambani Hospital, Mumbai, and earned the European Diploma in Intensive Care (EDIC) in Prague. His training also includes advanced critical care exposure from top institutions in Sydney, Australia, such as Royal Prince Alfred Hospital and St. George Hospital, where he played a pivotal role in developing ICU protocols. Dr. Nagarkar's key areas of expertise include the management of polytrauma, Acute Respiratory Distress Syndrome (ARDS), sepsis, ECMO (Extracorporeal Membrane Oxygenation), post-transplant critical care, and complex neurosurgical and cardiac ICU cases. He has also worked on implementing central venous access accreditation programs

and contributed significantly to ICU protocol development. He is recognised for his academic excellence and has presented award-winning research at national forums. His work titled “Airway Management of Oral Tumour in a Child” received the Best Paper Presentation Award at DAC-2013. He also authored a chapter on early sepsis recognition in a RANZCOG publication. Known for his patient-centric approach, Dr. Nagarkar is fluent in English, Hindi, and Marathi and is committed to delivering evidence-based, compassionate critical care. His leadership and clinical acumen make him one of the most trusted critical care experts in Pune.
