

DR. SHRUTI SATISH VADKE

Consultant - Neurology

Qualification

MBBS (2012) | DNB General Medicine (2018) | DNB Neurology (2021, Manipal Hospital, Bangalore)

Overview

Dr. Shruti Vadke is a highly skilled Consultant Neurologist with over 7 years of experience in internal medicine and neurology. She holds an MBBS degree from Krishna Institute of Medical Sciences, Karad, followed by an MD in General Medicine and a DM in Neurology from the prestigious Seth G.S. Medical College and KEM Hospital, Mumbai. Her strong academic background and hands-on clinical exposure have shaped her into a compassionate, evidence-driven neurologist with expertise in treating a broad spectrum of neurological disorders. Her areas of clinical interest include stroke management, epilepsy, movement disorders such as Parkinson’s disease, headaches and migraines, multiple sclerosis, and neuromuscular conditions. Dr. Vadke is also adept at conducting and interpreting advanced neurodiagnostic investigations such as EEG, EMG, and nerve conduction studies. Her approach is rooted in accuracy, early diagnosis, and customised treatment strategies tailored to each patient’s unique condition and lifestyle. Respected for her ability to simplify complex neurological explanations, Dr. Vadke ensures patients and families feel well-informed and supported throughout the treatment process. She

believes that the key to effective neurological care lies in combining clinical precision with a deep sense of empathy. She stays actively engaged in continued medical education through conferences and scientific forums to keep abreast of the latest advancements in neurology. Her aim is not just to manage diseases but to help patients live fulfilling, independent lives despite chronic neurological conditions. With her balanced expertise, strong communication skills, and patient-centric philosophy, Dr. Shruti Vadke remains a trusted choice for individuals seeking advanced and compassionate neurological care.
