

## **DR. SRIKANTH MADIKATTU**

Consultant - Orthopaedic Surgeon and Joint Replacement Surgeon

### **Qualification**

MBBS | DNB Ortho | Diploma Ortho | Fellowship in Joint Replacement

### **Overview**

Dr. Srikanth Madikattu is a highly skilled orthopaedic and Joint Replacement Surgeon at Manipal Hospitals, Baner, Pune, with over 15 years of experience in orthopaedics and trauma surgery. He holds an MBBS from Vijayanagar Institute of Medical Sciences, Karnataka (2009), a Diploma in Orthopaedics from Government Stanley Medical College, Chennai (2014), and a DNB in Orthopaedics from Jehangir Hospital, Pune (2016). He further pursued a Fellowship in Joint Replacement Surgery at the renowned Deenanath Mangeshkar Hospital, Pune. Dr. Madikattu's clinical expertise spans total and partial knee replacements, hip replacements, robotic joint replacements, complex trauma surgeries, and minimally invasive orthopaedic procedures. He is especially known for his work in sports injuries, offering advanced treatment options for ligament tears, meniscal injuries, shoulder instability, and cartilage damage. His arthroscopic skills and structured rehabilitation plans help many athletes and active individuals return to peak performance. Having performed over 3,000+ joint replacements and 6,000+ trauma surgeries, Dr. Madikattu is also well-versed in revision joint surgeries, arthroscopic ACL/PCL

reconstruction, shoulder arthroscopy, and articular cartilage repair. He is a trained AO Trauma professional and actively contributes to research, with studies published on ACL reconstruction and sacroiliac joint fractures. As a member of the Pune Orthopaedic Society and the Maharashtra Medical Council, he regularly updates his skills in line with global orthopaedic trends. Dr. Madikattu is widely appreciated for his patient-first approach, clear communication, and commitment to long-term mobility and wellness. At Manipal Hospitals, Baner, Dr. Srikanth Madikattu provides comprehensive orthopaedic and sports injury care, making him a trusted name for patients seeking surgical excellence and compassionate guidance.
