

DR. BALAJI NALWAD

Consultant - Robotic Gynaecology & Minimal Invasive Surgery

Qualification

MBBS | DNB (OBGY) | FCPS | DGO | FICMCH | Fellowship in Minimal Access Surgery | Advanced Endoscopy Training

Overview

Dr. Balaji Nalwad is a highly accomplished consultant in robotic gynaecology and minimally invasive surgery at Manipal Hospital Baner, Pune, with over 21 years of experience in advanced gynaecological care. Renowned for his expertise in robotic, laparoscopic, and hysteroscopic procedures, he has successfully performed more than 20,000 surgeries for patients from India and across the globe, including the USA, Canada, Tanzania, Ethiopia, Oman, Malawi, and Mozambique. After completing his MBBS from MIMSR Medical College, Latur, Dr Balaji pursued postgraduate training in obstetrics and gynaecology at the prestigious Lokmanya Tilak Municipal Medical College and General Hospital (LTMMC), Sion, Mumbai. He holds DNB (OBGY), FCPS, DGO, and FICMCH qualifications and has further enhanced his skills through advanced endoscopy training at La Fe Hospital & University, Valencia, Spain, and a fellowship in minimal access surgery in the USA. His clinical expertise covers robotic gynaecological surgery, advanced laparoscopy, endometriosis management, fibroid surgery (laparoscopic and hysteroscopic myomectomy), minimally invasive hysterectomy, fertility-enhancing endoscopic surgery, infertility management, ovarian

cyst surgery, ectopic pregnancy management, gynaecological cancer surgery, pelvic organ prolapse repair, urogynaecology, hysteroscopic septum resection, Asherman's Adhesiolysis, and high-risk obstetrics. He is particularly recognised for managing complex gynaecological conditions and fertility-preserving procedures using minimally invasive techniques. A dedicated academician and researcher, Dr Balaji has published research in reputed national and international journals and regularly serves as invited faculty at state, national, and international conferences. He was the organising Secretary of the YUVA IAGE National Endoscopy Conference 2017 and actively participates in advanced surgical training programmes. He also mentors undergraduate and postgraduate students and serves as the convener of FOGSI's Advanced Endoscopy Training Programme at Manipal Hospital, Baner. Dr Balaji is a member of several prestigious organisations, including AGRS, ACOG, EFI, IAGE, FOGSI, and PAGES. He is committed to delivering compassionate, evidence-based, and technologically advanced care for women across all stages of life.

Fellowship & Membership

- Fellow of the College Of Physicians & Surgeons Of Bombay
- Fellow of the Indian College of Maternal & Child Health
- Member of Pune Obstetrics & Gynaecology Society, Pune
- Member of the National Association for Reproductive & Child Health of India

Field of Expertise

- Robotic Gynaecologic Surgery
- Advanced Laparoscopy (Keyhole)
- Endometriosis Management
- Fibroid (Myomectomy)

- Laparoscopic & Hysteroscopic Surgery
- Minimal Invasive Hysterectomy
- Fertility Enhancing Endoscopic Surgery
- Minimal Access Cancer Surgery
- Ovarian Cyst Surgery
- Laparoscopic Ectopic Pregnancy
- Acute and Chronic Pelvic Pain and Adhesion Surgery
- Laparoscopic Repair for Pelvic Organ Prolapse & Urogynaecology
- Complex Gynaecological Procedure
- Previously Abandoned Surgeries
- Hysteroscopic Asherman's Adhesiolysis
- Polyp
- Septum Removal
- Infertility Management
- Abdominal & Vaginal Surgeries
