

DR. SHRIRANG RANADE

Head Of The Department and Consultant - Cardiothoracic and Vascular Surgeon

Qualification

MBBS | MS | M. Ch | DNB

Overview

Dr. Shrirang Ranade is a highly skilled cardiothoracic and vascular surgeon with over 14 years of experience and a track record of performing more than 4,000 successful cardiac and thoracic surgeries. He serves as the head of the department and senior consultant at Manipal Hospital, Baner, Pune, where he is known for his expertise in managing complex cardiovascular and thoracic conditions with advanced surgical techniques. He holds an MBBS, an MS in General Surgery, and an M.Ch in Cardiothoracic and Vascular Surgery from the prestigious PGIMER, Chandigarh. In addition, he is a Diplomate of the National Board (DNB) in Cardiothoracic Surgery and a Fellow of the Royal College of Surgeons of Edinburgh (FRCS—CTh), underscoring his advanced training and international recognition. His academic background reflects a blend of excellence, dedication, and a passion for advancing cardiac surgery. Dr. Ranade specializes in Coronary Artery Bypass Grafting (CABG), including LIMA-RIMA total arterial grafting, Minimally Invasive Cardiac Surgery (MICS), and complex valve repairs and replacements. He is also proficient in redo cardiac surgeries, aortic aneurysm and dissection repairs, thoracic surgeries

such as lobectomy and pneumonectomy, ECMO support, and pediatric cardiac procedures including ASD/VSD closures and Tetralogy of Fallot correction. At Manipal Hospital, Baner, he leads a team committed to excellence in cardiac care, offering personalized treatment plans backed by evidence-based practices. His approach integrates cutting-edge technology with a strong focus on safety, recovery, and long-term patient well-being.
