Overview

Dr. Rahul Wagh is a highly skilled and compassionate surgical oncologist at Manipal Hospitals, Baner, Pune, with over 15 years of medical experience and more than 9 years of expertise dedicated to cancer care. He holds an MBBS from Dr. B.V.P. Rural Medical College, Loni, followed by an MS in General Surgery from Dr. V.M. Government Medical College, Solapur, and a super-speciality MCh in Surgical Oncology from the prestigious Gujarat Cancer and Research Institute, Ahmedabad. Dr. Wagh's clinical practice focuses on the comprehensive surgical management of a wide range of cancers, including head and neck cancers, breast cancer, gastrointestinal tumours, gynaecological and urological malignancies, as well as pancreatic, liver, and skin cancers. He is well-versed in minimally invasive laparoscopic surgeries, oncoplastic procedures, sentinel lymph node biopsy (SLNB) for breast cancer, chemo port insertions, and advanced techniques like HIPEC/PIPEC for abdominal cancers. Known for his patient-centric and organ-preserving approach, Dr. Wagh believes in tailoring treatment to each individual's clinical and emotional needs. He is passionate about early cancer detection, awareness, and holistic care, ensuring that

patients not only receive the best possible treatment but also compassionate support throughout their journey. Dr. Wagh is actively involved in academic discussions and awareness drives and has featured in educational videos and blogs related to cancer prevention, dietary impact on cancer, and treatment options. He is also a member of various national oncology and surgical societies. At Manipal Hospitals, Baner, Dr. Rahul Wagh combines clinical excellence, surgical precision, and a deep sense of empathy to deliver high-quality oncological care, making him one of the most respected cancer specialists in Pune.
