

DR. SATISH SAWANT

Consultant - Cardiology

Qualification

MBBS | DNB Medicine | DNB Cardiology

Overview

Dr. Satish Sawant is a highly skilled and experienced Consultant and Interventional Cardiologist in Pune, practising at Manipal Hospital, Baner. With 16 years of experience in the medical field, he specializes in diagnosing and treating complex cardiovascular conditions using advanced interventional techniques. He completed his MBBS from BJMC, Pune, in 2008, followed by a DNB in Medicine from top Hospital, Secunderabad, in 2014, and later pursued a DNB in Cardiology from top Hospital and Research Centre, Pune, in 2021. His expertise in interventional cardiology in Baner enables him to provide precise and effective treatments for patients with heart diseases. Dr. Sawant has extensive experience in coronary interventions, transesophageal echocardiography, and pacemaker implantation. He has successfully performed over 2,000 angiographies, 1,000 angioplasties, and 50 pacemaker implantations, demonstrating his proficiency in handling critical cardiac procedures. Apart from his clinical expertise, Dr. Sawant is actively involved in preventive cardiology and public health awareness. He leads the "Saving Hearts and Changing Lives" campaign, which emphasizes heart disease prevention through

lifestyle modifications. He has also conducted numerous cardiopulmonary resuscitation (CPR) training programs, educating healthcare professionals and the general public on life-saving emergency cardiac care. His commitment to raising awareness about heart health highlights his dedication to improving patient outcomes beyond the hospital setting. Dr. Sawant is a lifetime member of the Indian Medical Association (IMA) and the Association of Physicians of India (API). His patient-centric approach, technical excellence, and passion for cardiac health make him one of the most trusted interventional cardiologists in Pune, dedicated to providing advanced, evidence-based, and compassionate cardiac care.
