Overview

Dr. Jayshree Ahuja is a dedicated and skilled Consultant Dermatologist at Manipal Hospitals Baner, known for her patient-centred approach and expertise in both clinical and cosmetic dermatology. With over 2 years of experience, she specialises in diagnosing, managing, and treating a wide range of skin, hair, and nail conditions. She completed her MBBS from AMC MET Medical College, Ahmedabad (2019), and later pursued her MD in Dermatology from Dr. D.Y. Patil Medical College, Pimpri (2023). Dr. Ahuja's academic journey and clinical exposure have strengthened her understanding of complex dermatological disorders and the latest advancements in treatment protocols. She is also a member of the Indian Association of Dermatologists, Venereologists, Leprologists (IADVL). Her clinical expertise includes the management of psoriasis, eczema, lichen planus, photodermatoses, allergic skin disorders, fungal infections, and acne. She provides evidence-based care for hair fall, alopecia areata, vitiligo, keloids, hypertrophic scars, and other chronic skin concerns. Dr. Ahuja is also proficient in advanced aesthetic procedures such as PRP/GFC therapy, mesotherapy, CO₂ fractional laser resurfacing, diode

laser hair removal, chemical peels, and skin tag/wart removal. Her balanced approach ensures that both medical and cosmetic needs are addressed with precision and care. Dr Ahuja believes in delivering personalised, ethical, and result-oriented dermatology care. She focuses on understanding each patient's concerns, guiding them with clear information, and offering treatment plans tailored to their unique skin profile. Her calm and approachable demeanour makes her a trusted choice for patients seeking long-term skin and hair solutions. At Manipal Hospitals Baner, she is committed to helping individuals achieve healthier, clearer, and more confident skin through advanced, compassionate dermatological care.
