

DR. RAJIV SETHI

Consultant - Cardiologist

Qualification

MBBS | MD | DM (cardiology)

Overview

Dr. Rajiv Sethi is a highly experienced interventional cardiologist in Pune, with over 28 years of expertise in diagnosing and treating complex heart conditions. He is currently associated with Manipal Hospital Baner, where he plays a key role in delivering advanced and patient-focused cardiac care. He completed his MBBS and MD in medicine from B.J. Medical College, Pune, followed by a DM in cardiology from Lokmanya Tilak Municipal Medical College, Mumbai. His strong academic foundation is supported by prestigious global recognitions, including Fellow of the European Society of Cardiology (FESC) and Fellowship from the Society for Cardiovascular Angiography & Interventions (FSCAI). He has also received specialised training in cardiac interventions at St. Vincent’s Hospital, Melbourne, Australia. Dr. Sethi is known for his expertise in coronary angiography in Pune, coronary angioplasty in Pune, pacemaker implantation, and heart failure treatment. He also specialises in managing conditions such as cardiomyopathy, angina, and peripheral artery disease, making him one of the best cardiologists in Baner, Pune. His ability to handle emergency cardiac cases like heart attacks (acute myocardial

infarction) ensures timely and life-saving treatment for patients. In addition to his clinical excellence, Dr. Sethi has contributed to several research publications in reputed journals such as the Indian Heart Journal. He has received multiple awards, including the Health Icon Award (Times of India, 2021), and has served as the President of the Cardiological Society of India (Pune Division). If you are looking for a heart specialist in Baner, Pune, or an expert in advanced cardiac treatment in Pune, Dr. Rajiv Sethi at Manipal Hospital Baner is a trusted name for comprehensive and reliable cardiac care.
