

DR. JUIE ASHISH DHAVALE

Consultant - Dental Surgeon (BDS, FGDS)

Qualification

Bachelor of Dental Surgery (BDS) | Tatyasaheb Kore Dental College & Research Centre, New Pargaon – 2022 | Fellowship in Comprehensive Dentistry (FGDS) | KDC Dental Academy & Implant Centre, Bangalore – 2023–2024

Overview

Dr. Juie Ashish Dhavale is an experienced Dental Surgeon with 6 years of clinical experience, committed to providing comprehensive, compassionate, and patient-centred dental care. Her approach combines sound clinical knowledge with personalised treatment planning, ensuring that every patient receives care tailored to their individual oral health needs. Dr. Juie completed her Bachelor of Dental Surgery (BDS) from Tatyasaheb Kore Dental College & Research Centre, New Pargaon, in 2022. She subsequently completed a Fellowship in Comprehensive Dentistry from KDC Dental Academy & Implant Centre, Bangalore, during 2023–2024, further strengthening her clinical skills and expertise in comprehensive dental care. Her areas of expertise include Endodontics and Root Canal Treatment, Oral Surgery, Cosmetic and Restorative Dentistry, Laser Dentistry, Esthetic Dentistry, and Smile Designing. She also has clinical experience in Full Mouth Rehabilitation, Prosthodontics, Aligner Consultations, Dental Imaging, Scaling and Root Planing, Cavity Fillings, Tooth Extractions,

and Curettage. Over the course of her career, Dr. Juie has gained experience working in diverse clinical settings across Pune, Bangalore, and Kolhapur. This exposure has enabled her to manage a wide range of dental conditions and provide comprehensive treatment while maintaining a strong focus on patient safety, comfort, and clinical quality.
