

DR. LINGARAJ NATH

Senior Consultant - Interventional Cardiology & Director Cath Lab

Qualification

MBBS | MD (Medicine) | DM (Cardiology)

Overview

Dr. Lingaraj Nath is a renowned cardiologist in the Department of Cardiology with an overall 16 years of dedicated focus in the speciality. As a Senior Consultant in Interventional Cardiology & Director Cath Lab, he brings forth a wealth of knowledge and experience to advance patient care at Manipal Hospitals, Bhubaneswar, Odisha. He is one of the foremost heart doctors in Bhubaneswar. He has pursued a degree in Bachelor of Medicine and Bachelor of Surgery (MBBS) from Utkal University, Odisha, a Doctor of Medicine (MD) in General Medicine from the University of Delhi, followed by a Doctorate of Medicine (DM) in Cardiology from Chhatrapati Shahu Ji Maharaj University, Kanpur. He further enriched his expertise by obtaining fellowships in the European Society of Cardiology (ESC), European Society of Cardiology (ESC), and Society of Cardiovascular Angiography and Intraventricular (USA) Dr. Nath keeps himself updated with the latest advancements in his field and efficiently handles new devices and technologies, along with providing treatments including Leadless Pacemakers and employing advanced procedures like Catheter-Based Ablation and Lead Extraction. Moreover, he is proficient in performing therapeutic

interventions that extend to Non-Invasive procedures, and medication administration, all aimed at achieving optimal patient outcomes. He is dedicated to delivering exceptional care, and his expertise helps him diagnosis and treatment of various cardiovascular conditions. Dr. Nath is also adept in Preventative Cardiology and emphasises utlising cutting-edge techniques for the early detection of cardiac anomalies. He prioritises personalised care and takes time to understand each patient's medical history, lifestyle, and concerns. Dr. Nath also specialises in Interventricular Cardiology including Coronary Angioplasty, Complex Coronary Angioplasty Intervention, and Cardiac Resynchronisation Therapy with Defibrillator (CRTD) Implantation. In addition, he has expertise in Peripheral Intervention including Iliofemoral, Renal Angioplasty, and Stenting. He also offers services for various treatments such as Echocardiography, Coronary Angiography, Permanent Pacemaker, Fetal Echocardiography, Peripheral Angiography, Peripheral Angioplasty, and Pacemaker Surgery to correct cardiovascular disorders. Dr. Nath is fluent in the languages of Odia, Hindi, and English, enabling him to foster effective communication with his patients. His approachable and patient-centred demeanour, along with his commitment to providing top-notch care has established him as a distinguished expert in the field.
