

## **DR. LALATENDU MAHAPATRA**

Senior Consultant General Surgeon

### **Qualification**

MBBS | MS (General Surgery)

### **Overview**

Dr. Lalatendu Mahapatra is an esteemed Senior consultant in the Department of General Surgery at Manipal Hospitals, Bhubaneswar, Odisha, with more than two decades of overall experience in the domain. Dr. Mahapatra graduated with a Bachelor of Medicine and Bachelor of Surgery (MBBS) from Berhampur University, followed by a Master of Surgery (MS) in General Surgery. Dr. Mahapatra's professional journey equipped him with extensive skills in the domain of General Surgery. His proficiency includes general Laparoscopic surgeries, which include Laparoscopic Cholecystectomy, Appendectomy, Stapled and Laser piles, fistulas, performing advanced surgical procedures, and various Bariatric Surgeries. Dr. Mahapatra's experience and mastery in the domain have enabled him to collaborate with prominent personalities as an author, and a co-author. He collaborated with Professor U.K Shrivastava on the book 'An Approach to Surgical Emergency', in which he shared his knowledge in Acute Abdomen, Painful Anorectal Conditions, Approach to Blunt and Penetrating Abdominal Trauma, Acute Thrombo-embolic phenomenon, Splenic Trauma, Pancreatic Duodenal Injury. He has published several

notable papers and presented talks at various conferences such as the Indian Association of Surgical Gastroenterology (IASG), SURGICON, and ENDOSURG conferences. His paper on 'Antibiotic Use in Acute Pancreatitis: An Indian Multicenter, Observational Study' talks about prophylactic antibiotics in Acute pancreatitis, concluding to conduct multicentre randomised control trials with emphasis on a risk-based approach. Dr. Mahapatra is proficient in the languages of English, Hindi, and Odia. His goal of patient safety and positive treatment outcomes has been a core vision during his professional journey. Residents and doctors under his leadership have gained immense expertise in the domain. Dr Mahapatra, through his mission, continues to uphold the highest standards for his patients.
