

DR. SUNIL KUMAR DASH

Senior Consultant & Director - Orthopaedics

Qualification

MBBS | MS (Orthopaedics)

Overview

Dr. Sunil Kumar Dash is a distinguished orthopaedics specialist in the Department of Orthopaedics at Manipal Hospitals, Bhubaneswar, Odisha, with an overall 27 years of experience, including 20 years of focus on the speciality. He is the best orthopaedic doctor in Bhubaneswar. With his expertise in various Replacement and Arthroscopic Surgeries, Dr. Dash laid the foundation of his medical journey by completing a Bachelor of Medicine and Bachelor of Surgery (MBBS) at Maharaja Krishna Chandra Gajapati Medical College and Hospital, Berhampur, Odisha, followed by a Master of Surgery (MS) in Orthopaedics from Shri Ramachandra Bhanj Medical College, Cuttack. He further broadened his expertise by obtaining a fellowship in Joint Replacement Surgery for Peerless Hospital, Kolkata, and other fellowships from Germany, USA, Israel, UK, Singapore, South Korea, Switzerland, and Thailand. Dr. Dash has effectively provided treatment for over 10,000 patients requiring Joint Replacement, alleviating their orthopaedic issues. His primary focus is on accurate diagnosis, correction, prevention, and treatment of patients suffering from skeletal deformities. He also specialises in sports medicine, providing

personalised care for athletes and individuals with sports-related injuries, optimising their performance, and facilitating a safe return to activity. Dr. Dash is also a pioneer in Robot-assisted Knee Replacement, Minimally Invasive Surgeries, and Advanced Hip Replacement Techniques using the direct anterior approach. Dr. Dash is highly recognised in the medical field and is renowned for being the first practitioner to perform Reverse Shoulder Arthroplasty and introduce Robotic-assisted Knee Joint Replacement Surgery in the region. Additionally, he serves as a mentor to healthcare professionals in fellowship programmes focused on Joint Replacement and Sports Injury. His contributions to the field are immense, publishing several topics in various national and international journals and collaborating with other peers and experts on many research projects. Dr. Dash is fluent in Odia, English, and Hindi. His proficiency in multiple languages, coupled with his dedication to leveraging the latest technology to provide the highest quality healthcare to his patients, and his technical proficiency have made him a highly sought-after Joint replacement surgeon in Odisha and Eastern India.
