

DR. SUBODH DAS

Consultant - Urology

Qualification

MBBS | MS | MCh | DNB (Genito-Urinary Surgery)

Overview

Dr. Subodh Das is an eminent urology consultant in the Department of Urology at Manipal Hospitals, Bhubaneswar, Odisha, with an overall experience of 29 years, including 21 years of expertise in the field. Dr. Das completed his Bachelor of Medicine and Bachelor of Surgery (MBBS) from Utkal University, followed by a Master of Surgery (MS) from the University of Delhi and a Master of Chirurgiae (MCh) from Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS), Lucknow. He later broadened his expertise by acquiring a Diplomate of National Board (DNB) in Genito-Urinary Surgery from the National Board of Examinations (NBE). He has also been a visiting fellow at prestigious international institutions, namely the University of California, Los Angeles (UCLA) and the Mayo Clinic in Rochester. Dr. Das's academic prowess is evident from his achievement of ranking 28th in the All India PG Medical Entrance Examination in 1998 and receiving honours in Microbiology, solidifying his reputation as a dedicated and accomplished scholar in the medical field. Dr. Das excels at conducting Kidney Transplantation Surgeries by employing cutting-edge techniques. He is also proficient in employing advanced

Minimally Invasive procedures to address various renal-related conditions, such as kidney stone removal, urethral strictures, and ureteropelvic junction (UPJ) obstruction. Moreover, Dr. Das also addresses uro-oncological cancers of early, advanced, and recurrent stages, offering comprehensive and personalised treatment plans, care, and management. Dr. Das has pioneered Kidney Transplant programmes at various corporate institutions, enabling patients to have access to life-saving treatment without leaving the state of Odisha and utilising the Prime Minister Relief Fund to receive transplants free of charge. As a distinguished urologist, he has performed over 1,000 Kidney Transplants and various other urological procedures and established the state's first Kidney Transplant facility, transforming healthcare for renal patients. Dr. Das's expertise extends beyond clinical practice, holding various esteemed positions during his academic and professional journey, including being the Editor of the Journal of Society at S.C.B. Medical College and winning second prize for best video presentation at the Urological Society of India Conference, North Zone (NZUSICON). He has also published many papers in prestigious journals and delivered presentations and talks at various conferences and associations. Fluent in the languages of Odia, English, and Hindi, Dr. Das is recognised as a leading figure in Urology, serving patients not only in Odisha but also from neighbouring states.
