

DR. BIBHUDUTTA MALLA

Visiting Consultant - Orthopaedic Oncology

Qualification

MBBS | MS Ortho | FMO

Overview

Dr. Bibhudutta Malla is a dedicated orthopaedic oncologist serving as a Visiting Consultant in the Department of Orthopaedic Oncology. With specialised training and focused expertise in musculoskeletal oncology, he brings more than three years of experience in the diagnosis, treatment, and management of musculoskeletal tumours and sarcomas. Dr. Malla completed his MBBS and MS in Orthopaedics, followed by a Fellowship in Musculoskeletal Oncology (FMO). He is a Life Member of the Indian Musculoskeletal Oncology Society of India and is committed to advancing both patient care and clinical research in the field of orthopaedic oncology. His work particularly emphasises limb salvage surgeries, treatment of bone and soft tissue sarcomas, and reconstructive orthopaedic oncology procedures. He combines clinical precision with patient-centred empathy, ensuring a holistic approach to treatment. In Odisha, he stands as one of the very few specialists devoted to orthopaedic oncology, playing a key role in improving the standards of tumour-related bone and soft tissue care.
