Overview

Dr. Nandini Chakrabarti is a highly experienced and respected Gynecologist and Obstetrician based in Salt Lake, Kolkata, with over 31 years of experience in the medical field. As a seasoned healthcare professional, Dr. Chakrabarti has earned a reputation for her exceptional skills, compassionate care, and dedication to the well-being of her patients. Her vast experience as a specialist in Obstetrics and Gynecology has made her one of the most trusted and sought-after doctors in her field. She is the foremost Gynaecology Doctor in Broadway, Kolkata. Dr. Chakrabarti’s educational journey in medicine reflects a thorough and disciplined training in the fields of Obstetrics and Gynecology. She completed her MBBS from the Medical College, Calcutta in 1993, which laid the foundation for her medical career. Driven by a deep passion for women’s health, she went on to pursue her specialization: DGO (Diploma in Gynecology and Obstetrics) from Medical College, Calcutta in 1997. This qualification honed her skills in managing women’s health issues, both during pregnancy and in other aspects of gynecological care. DNB in Obstetrics and Gynecology from the National Board of Examination in 2001, an advanced degree that

further advanced her expertise and positioned her as a highly capable specialist in her field. Her continuous pursuit of excellence in obstetrics and gynaecology has equipped her with the knowledge and practical experience necessary to treat a wide range of conditions, from routine to complex cases. Dr. Nandini Chakrabarti has been a leading figure in the field of Obstetrics and Gynecology in Kolkata for over three decades. With a career that spans over 31 years, Dr. Chakrabarti has developed an extensive skill set and a profound understanding of women’s health across all stages of life. For the majority of her career, Dr. Chakrabarti has been associated with Manipal Hospital Broadway Kolkata, where she provides high-quality care to women seeking gynecological and obstetric services. Through her association with one of the top medical institutions in the region, she has helped countless women with diverse healthcare needs, from pregnancy care to menopause management and reproductive health. As a well-rounded specialist in Obstetrics and Gynecology, Dr. Chakrabarti is proficient in treating a wide range of conditions affecting women’s health. Her expertise spans various aspects of both obstetrics and gynecology, making her well-equipped to handle various clinical situations. Some of the services and treatments provided by Dr. Chakrabarti include: Dr. Chakrabarti offers specialized care to women navigating menopause, helping them manage symptoms and ensuring a healthy transition during this life stage.D&C (Dilation and Curettage): Dr. Chakrabarti performs D&C procedures to treat uterine issues, including abnormal bleeding or miscarriage. Unilateral Salpingo-Oophorectomy: A surgical procedure to remove one ovary and fallopian tube, often recommended in cases of ovarian cysts, ectopic pregnancy, or cancer. Endoscopy: Dr. Chakrabarti performs minimally invasive procedures, such as laparoscopy, to diagnose and treat conditions like fibroids, endometriosis, and pelvic pain. Hysterectomy (Abdominal/Vaginal): Dr. Chakrabarti is skilled in performing both abdominal and vaginal hysterectomies for conditions like uterine fibroids, cancer, or other reproductive disorders. High-Risk Pregnancy Management: She offers

expert care for high-risk pregnancies, including monitoring maternal health and managing complications such as gestational diabetes, pre-eclampsia, and fetal growth restriction. Her comprehensive approach to treating gynaecological and obstetric conditions ensures that her patients receive personalized care, with an emphasis on the most appropriate and effective treatment options. Dr. Chakrabarti's approach to patient care is centred on a strong foundation of compassion, respect, and professionalism. She believes in offering patient-centred care, where the concerns and needs of the patients are prioritized. By fostering open communication with her patients, she ensures they feel informed and empowered to make decisions regarding their health. Dr. Chakrabarti places great importance on preventive healthcare, regularly advising her patients on the benefits of routine gynaecological check-ups, early screening for cancer, and lifestyle modifications for improved reproductive health. Her experience in handling complex cases further demonstrates her capability to provide holistic care for women's health throughout their lives. Dr. Chakrabarti is an active member of the Bengal Obstetrics & Gynecological Society, an organization that brings together professionals from the field of obstetrics and gynaecology. Her involvement in the society allows her to stay updated on the latest medical advancements, best practices, and guidelines for women's health, ensuring that she is always on the cutting edge of patient care. With 31 years of overall experience and 26 years as a specialist, Dr Chakrabarti has garnered a strong reputation in the medical community. Her vast experience allows her to treat a wide array of medical conditions, offering expert care in both obstetrics and gynecology. Dr. Chakrabarti's patients have consistently praised her for her professional demeanour, attentive care, and ability to make them feel comfortable and heard during consultations. Her clinical experience is complemented by her ability to handle delicate situations, offering support to women with challenging health conditions, whether related to fertility, pregnancy, or gynaecological

disorders. Over the years, she has built long-term relationships with many of her patients, earning their trust and loyalty. Dr. Nandini Chakrabarti is a highly accomplished Gynecologist and Obstetrician who brings over three decades of expertise in managing women's health. With her deep knowledge of Obstetrics and Gynecology, Dr. Chakrabarti is well-equipped to provide compassionate, comprehensive care to women at every stage of life. Whether providing routine gynecological exams, managing high-risk pregnancies, or performing complex surgeries, Dr. Chakrabarti is dedicated to improving the health and well-being of her patients. Her reputation as one of the top specialists in Kolkata is a testament to her expertise, patient care, and dedication to advancing women's health.
