

DR. SURANJAN MUKHERJEE

Senior Consultant - Pulmonology

Qualification

MBBS | MD (General Medicine) | MRCP (UK) | FRCP (Lon) | FRCP (Glas) | FCCP | CCT (Pulmonology)

Overview

Dr. Suranjan Mukherjee is a highly respected Senior Consultant Pulmonologist at Manipal Hospital Broadway, Kolkata, with more than 32 years of medical experience, including 25 years as a specialist in Respiratory and General Medicine. His distinguished career reflects his dedication to advancing lung health, patient care, and medical education across India and abroad. After completing his MBBS and MD in General Medicine from Kolkata University, Dr. Mukherjee moved to the United Kingdom for advanced specialist training. There, he earned the prestigious Membership of the Royal College of Physicians (RCP) and completed a Certificate of Completion of Training (CCT) in Respiratory and General Medicine. He is also registered on the Specialist Register of the General Medical Council (GMC), UK, which signifies his expertise at an international level. During his time in the UK, Dr. Mukherjee worked as a Consultant at Stafford Hospital and served as a Clinical Lecturer at Keele University, combining his clinical practice with teaching and research. At Manipal Hospital Broadway, Dr. Mukherjee provides expert care for a wide range of respiratory conditions. His areas of specialisation include Interstitial Lung

Diseases, Pulmonary Vascular Disorders, Lung Cancer, Pleural Diseases, Sleep and Ventilator Disorders, and Pulmonary Infections such as tuberculosis and bronchiectasis. He is proficient in performing advanced diagnostic and therapeutic procedures, including Non-invasive Ventilation, Bronchoscopy, Transbronchial Lung Biopsy, and Transbronchial Needle Aspiration, enabling him to deliver accurate diagnoses and effective treatment plans. Beyond clinical practice, Dr. Mukherjee has made significant academic contributions. He is the author of a chapter on Sarcoidosis in the renowned Oxford Handbook of Respiratory Medicine and has published more than 30 articles in national and international journals. His commitment to medical research and academic excellence is further highlighted by his role as a reviewer for the British Medical Journal (BMJ). Over the years, he has been invited as a speaker at numerous national and international conferences, sharing his knowledge and advancing the standards of respiratory care globally. Dr. Mukherjee's teaching career has been equally impactful. He has taught and mentored medical students at several leading UK institutions, including Leicester Medical School, Glasgow University, Newcastle University, and St. George's Medical School. He has also held roles such as Deputy Royal College Tutor and MRCP Examiner, contributing significantly to the training and evaluation of future physicians. Recognised by leading global institutions, Dr. Mukherjee is a Fellow of the Royal College of Physicians (FRCP, London), the Royal College of Physicians and Surgeons (FRCS, Glasgow), and the American College of Chest Physicians (FCCP, USA). He is also an active member of professional organisations such as the American Thoracic Society (ATS), the European Respiratory Society (ERS), the Indian Chest Society (ICS), and the West Bengal Association of Chest Physicians (ACP). Fluent in English, Bengali, and Hindi, Dr. Mukherjee ensures that patients from diverse backgrounds feel understood and cared for. With his exceptional clinical acumen, vast international exposure, and compassionate approach, Dr. Mukherjee continues to provide world-class pulmonary care at Manipal Hospital

Broadway, Kolkata.
