

DR. GOUTAM DUTTA SARMA

Gynaecology and Obstetrics

Qualification

MBBS | DMCW | DGO | DGES | DOGU

Overview

Dr. Goutam Dutta Sarma is an esteemed gynaecologist and obstetrics specialist at Manipal Hospitals, Broadway, Kolkata, boasting over 35 years of invaluable experience. With a wealth of expertise and exceptional communication skills, he adopts a patient-centric approach to care, prioritising thoroughness and compassion. Dr. Sarma completed his medical education at esteemed institutions including North Bengal Medical College and MGM Medical College, further enhancing his knowledge through specialised training at AIIPH, CMC Kolkata, and Keil University, Germany. Revered for his disciplined and punctual demeanour, Dr. Sarma is dedicated to upholding the highest standards of medical care and addressing patients' concerns with empathy and professionalism. Dr. Sarma's expertise encompasses the treatment of various gynaecological conditions such as fibroids, ovarian cysts, endometriosis, pelvic organ prolapse, urinary issues, abnormal pap smears, vaginal diseases, vulva conditions, and more. He is affiliated with prestigious organisations, including The Association of Obstetricians & Gynaecologists, The Federation of Obstetric and Gynaecological Societies of India (FOGSI), and the Indian Medical

Association. Dr. Sharma has a prolific record of national and international publications and frequently serves as a distinguished guest speaker at scientific meetings, Continuing Medical Education (CME) events, and global conferences, focusing on women's reproductive health disorders, advancements in gynaecology, and innovative treatment modalities. Fluent in English, Hindi, and Bengali, he ensures effective communication with diverse patients, fostering trust and confidence in the healthcare environment. Dr. Sarma's unwavering commitment to advancing medical knowledge and his compassionate approach solidify his reputation as a trusted healthcare provider in Gynaecology and Obstetrics.
