

DR. V. S. BAID

Respiratory Medicine and Pulmonology Specialist

Qualification

MBBS | MD (Respiratory Disease and Tuberculosis)

Overview

Dr. V. S. Baid is a renowned respiratory specialist in the Department of Respiratory Medicine and Pulmonology at Manipal Hospitals, Broadway, Kolkata. With more than 43 years of dedicated service, including 36 years of specialised practice, his illustrious career exemplifies his commitment to patient-centric care. Dr. Baid graduated with a Bachelor of Medicine and Bachelor of Surgery (MBBS), followed by a Doctor of Medicine (MD) in Respiratory Disease and Tuberculosis from Rajasthan University. His relentless pursuit in the field subsequently earned him a fellowship at the American College of Chest Physicians (ACCP). Dr. Baid’s immense expertise gained throughout his career has helped him to excel in precise diagnosis and treatments for his patients. Dr. Baid’s field of expertise comprises addressing chronic obstructive pulmonary disease management (COPD), bronchial asthma, interstitial lung diseases, and tuberculosis. His adept management and care of various lung-related conditions are marked by fastened recovery and high levels of patient satisfaction, reflecting his commitment to providing exceptional patient care and safety. Dr. Baid also provides expertise in employing several diagnostic and

treatment interventions such as allergy tests, Bronchoscopy, and Immunotherapy, thereby enabling him to tailor personalised treatment plans to foster better patient outcomes. His extensive proficiency in the field is obvious through his affiliations and collaborations with many medical experts and societies such as the National College of Chest Physicians (NCCP), the Indian College of Allergy & Immunology, the Indian Medical Association (IMA), the Indian Academy of Medical Speciality, the Association of Chest Physician West Bengal (ACP), the American College of Chest Physician Indian Chapter (CHEST), and the European Respiratory Society (ERS). Moreover, Dr. Baid is an elected council member of the National Executive of the Indian College of Allergy & Applied Immunology, holding a significant leadership role in the organisation. Dr. Baid is fluent in multiple languages, including English, Hindi, and Bengali. His linguistic skills, coupled with his professional ethics and dedication to providing personalised management and interventions, foster a supportive and inclusive healthcare environment for his patients.
