

**DR. SHUBHABRATA BANERJEE**

Senior Consultant - Vascular and Endovascular Surgery

**Qualification**

MBBS | MS (General Surgery) | DNB (Peripheral Vascular Surgery)

## Overview

Dr. Shubhabrata Banerjee is a renowned vascular surgeon in the Department of Vascular Surgery, with over 15 years of overall experience, including 6 years of expertise in the field, practicing at Manipal Hospitals, Broadway, Kolkata. He pursued an MBBS degree and an MS in General Surgery from the West Bengal University of Health Sciences, and further refined his skills by completing DNB with a specialisation in Peripheral Vascular Surgery from the National Board of Examinations, New Delhi. Dr. Banerjee also expanded his expertise in the field of Aortic and Endovascular, gained through a prestigious fellowship at St James' Hospital in Dublin.  Throughout his career, Dr. Banerjee has demonstrated a commitment to advancing the field of Vascular Surgery, as evidenced by his numerous publications and chapters in reputed books. His passion extends beyond clinical practice, as he is also interested in coaching General Surgery candidates in the vascular aspect, showcasing his dedication to education and mentorship. With proficiency in both Open Vascular Surgery and Endovascular procedures, Dr. Banerjee is adept at providing comprehensive care to his patients. He offers a range of

specialised treatments, focusing on Peripheral Vascular Interventions including Endovenous Thermal Ablation of Varicose Veins, Peripheral Angioplasties, Peripheral Bypass Surgeries, and Dialysis Access procedures such as AV Fistula Creation and AV Graft Placement. He is also adept at Fistula Salvage techniques like Fistuloplasty and Catheter-directed Thrombolysis for deep vein thrombosis (DVT), and Thromboembolectomy procedures. Dr. Banerjee remains actively engaged in professional development and collaboration within the surgical community. He is also a member of the Royal Colleges of Surgeons, further underscoring his commitment to excellence in patient care and surgical practice. Dr. Banerjee's compassionate approach along with his multilingual proficiency in the languages of Hindi, English and Bengali, experience and expertise ensures that patients receive the highest standard of care for their vascular health needs.
