

DR. SIDDHARTHA MUKHOPADHYAY

Senior Consultant - Cardiothoracic and Vascular Surgery

Qualification

MBBS | MS (General Surgery) | MCh (Cardiovascular and Thoracic Surgery) | DNB

Overview

Dr. Siddhartha Mukhopadhyay is an esteemed cardiothoracic and vascular surgeon in the Department of Cardiothoracic and Vascular Surgery at Manipal Hospitals, Broadway, Kolkata, with more than three decades of experience in the field. Dr. Mukhopadhyay's academic journey started at the esteemed Calcutta Medical College, affiliated with Calcutta University, where he graduated with distinction, obtaining an MBBS degree. His pursuit of excellence led him to complete his MS degree in General Surgery from the Institute of Postgraduate Medical Education and Research, Calcutta. Further specialising in Cardiovascular and Thoracic Surgery, he acquired an MCh degree from the renowned Sree Chitra Tirunal Institute for Medical Sciences and Technology in Trivandrum and a DNB from the National Board. Throughout his academic pursuits, Dr. Mukhopadhyay garnered numerous accolades, including the Government Prize in Clinical Surgery, the Duke of Edinburgh Prize in Surgery, and the First Certificate of Honors in Pathology and Surgery. In the professional realm, his expertise spans a wide spectrum, encompassing all types of Cardiac, Thoracic, Vascular, and Aneurysm Surgeries. Dr.

Mukhopadhyay's surgical proficiency shines through as he has successfully managed over fifty Kidney Transplant surgeries as the primary vascular surgeon, showcasing his versatility and unwavering commitment to saving lives. Beyond his clinical endeavours, Dr. Mukhopadhyay has left a significant mark in the field of medical education. With over fifteen years of experience as a Professor and Head of the Department, he has made significant contributions to shaping the future of healthcare. His influence extends beyond the operating room and classroom, as he has mentored numerous cardiovascular surgeons practicing in Kolkata today, serving as a beacon of guidance and inspiration. Dr. Mukhopadhyay's primary focus is Adult Cardiac Surgery, where his approach combines vast experience, continuous learning, and empathetic patient care. His expertise in this domain has been transformative for countless patients, offering them renewed hope and vitality. He has also imparted his knowledge in various peer-reviewed journals, underscoring his acumen in the field of research. Dr. Mukhopadhyay is fluent in Hindi, English, and Bengali, and fosters a positive environment, encouraging patients to share their medical concerns.
