

DR. BISWARUP MUKHOPADHAY

Consultant - ENT & Head Neck Surgery

Qualification

MBBS | MS (ENT)

Overview

Dr. Biswarup Mukhopadhyay is a distinguished ENT Specialist Doctor in Kolkata working in ENT & Head Neck Surgery at Manipal Hospitals, Broadway, Kolkata. Throughout his illustrious career of over 26 years, Dr. Mukhopadhyay has consistently demonstrated a commitment to advancing patient care and clinical outcomes. His specialised knowledge in Neuro-otology, middle ear surgery, phonosurgery, and the care of the professional voice underscores his dedication to providing comprehensive treatment across a spectrum of ENT conditions. Dr. Mukhopadhyay's professional journey includes a visiting fellowship at Radcliffe Infirmary, Oxford, which further enriched his understanding and skills in ENT and Head Neck Surgery. His commitment to excellence is evident in his continuous pursuit of knowledge and innovative treatment approaches, ensuring that his patients receive the highest standards of care available. In addition to his clinical responsibilities, Dr. Mukhopadhyay actively participates in medical education and mentorship, sharing his expertise with the next generation of ENT specialists. His dedication to advancing the field is reflected in his involvement in conferences, seminars, and

publications, where he contributes insights and research findings that shape the future of ENT care. Patients seek out Dr. Mukhopadhyay for his expertise, compassionate care, and commitment to delivering superior outcomes. Beyond his clinical proficiency, Dr. Mukhopadhyay is recognised for his compassionate approach and effective communication skills in English, Hindi, and Bengali. This enables him to establish strong connections with his patients, ensuring they receive personalised care tailored to their needs.
